Notice of Doctoral Thesis Oral Examination

☐ This is a retake exam.

The Faculty of Graduate Studies must receive this notice no later than four weeks before the date of the examination. Please note that no changes can be made to the examining committee of an approved Faculty of Graduate Studies examination without the consent of the Dean of Graduate Studies. The Faculty of Graduate Studies must be informed of changes in the scheduling of the examination. Normally, final thesis oral examinations are open but only the examiners may question the students.

This information is published in compliance with the Handbook of Supervision and Examination in order to schedule the examination, to ensure that program requirements have been met and Faculty of Graduate Studies regulations followed, and to prepare convocation information. It will form part of the student record. Questions may be directed to the FOIP Advisor, Faculty of Graduate Studies, (403) 220-4932.
