capabilities, muscular strength, power, balance, flexibility, rest/recovery)

- optimum anatomical/biomechanical alignment and function (i.e. kinesiological terminology, musculoskeletal relationships, dynamic alignment)
- principles of training (i.e. adaptation, progressive overload, specificity)
- psychological skills (i.e. positive self-talk, goal setting, relaxation)
- strategies for injury prevention and management

Classes will be designed to address the specific needs of dancers and the demands of the dance profession. You will be encouraged to address your own individual needs and a series of fitness tests will provide the opportunity to observe individual improvements over time.

### Course learning outcomes

By the completion of this course, successful students will be able to:

- 1. define all components of physical fitness relevant to dance practice
- 2. demonstrate optimal biomechanical alignment and function in dance practice
- 3. describe the principles of training relevant to dance practice
- 4. recognize physical and psychological effects of overtraining
- 5. implement effective psychological skills relevant to dance practice
- 6. differentiate between beneficial and harmful strategies for injury prevention and management
- 7. apply conditioning principles to enhance dance performance and reduce risk of injury
- 8. evaluate change in personal physical fitness across time

#### Course schedule:

### See below.

### Assessment components

### **Assignment 1: Participation**

Value: 10% of final grade

Description: Owing to the experiential nature of this course, classes are equivalent to assignments. A participation grade will be awarded for arriving to class on time, being prepared to work, being fully engaged in class (i.e. involvement in practical dance fitness training, note taking and engaging in discussions during lectures, contributing to forums on D2L, etc.). Marks will be deducted if you miss more than one week of class (i.e. 2 classes) – see Assessment Expectations below.

### Assignment 2: Quizzes

Value: 70% of final grade

Type: Written tests

Description: Regular short answer quizzes will test your knowledge of lecture material and required weekly readings. Each quiz is worth 10% of your final grade and will take place at the beginning of class (12:00 noon) for approximately 15 minutes.

**Missed Quizzes**: You will only be able to make up a missed quiz due to illness/injury if you contact Sarah Kenny BEFORE the start (12:00 noon) of the missed class via email or in person. Quizzes can only be made up the VERY NEXT class (i.e. the following Tuesday). This allowance implies a level trust that you are expected to honour, whereby you will not to discuss quiz material with fellow students.

### Due Dates:

- 1. Components of Fitness Thursday January 21, 2016
- 2. Warm up and Cool down Thursday February 4, 2016
- 3. Dynamic Alignment Thursday February 11, 2015
- 4. Principles of Training Thursday February 25, 2015
- 5. Rest and Recovery Thursday March 3, 2015

- 6. Psychological Skills Thursday March 10, 2015
- 7. Dance Injuries Thursday March 17, 2015

### Assignment 3: Reflective Journal

Value: 20% of final grade

Due Date: Thursday April 7, 2016 at 12:00 noon

Type: Written essay

Description: Following pre-fitness testing in week 3, you will keep a weekly training log of all physical activity you participate in for 7 weeks. This record will act as an 'intervention program', with a clear start and end date, in an attempt to seek improvement between pre- and post-fitness assessments. After the completion of post-fitness testing in week 10, you will provide a one-page summary (explanation, evaluation and reflection) of the change experienced in personal physical fitness across the 7 weeks.

#### Assessment Criteria

By the completion of this assessment, successful students will be able to:

- keep a 7-week training log of physical activity alongside scheduled dance technique classes
- explain change experienced in physical fitness across time
- evaluate why change in fitness did or did not occur
- reflect on the impact that 7 weeks of directed fitness training had or did not have on personal dance practice
- write a clear and coherent one-page essay with an introduction, body, and conclusion that is free from grammatical and spelling errors

### Assessment expectations

### **Expectations for Writing**

Writing skills are important to academic study across all disciplines. Consequently, instructors may use their assessment of writing quality as a factor in the evaluation of student work. Please refer to the Undergraduate Calendar E.2 Writing Across the Curriculum policy for details.

#### Expectations for Attendance and Participation

Please refer to the Undergraduate Calendar E.3 Attendance for details.

### **Division of Dance Attendance Policy**

- A significant part of your grade is based on participation. Participation means not only showing up for class, but also attending to the material at hand with effort and engagement.
- With regard to participation, classes are considered equivalent to assignments.
   Thus, more than 2 absences per term will have an adverse effect on your final grade.
- If you miss more than one week of classes (i.e. 2 classes), your final grade will begin to drop by as much as 10% per missed class.
- If you miss more than two weeks of classes (i.e. 4 classes), you have the potential to fail the course.
- If you show up late for or leave early from class, this will be counted as half an absence.
- If for some reason you are feeling unwell during class time, a substitute form of participation may be arranged; however, you may not obtain this privilege more than once and you will receive half an absence.
- For studio courses, if you opt out of full participation and choose to sit for a

portion of the class, this will be counted as non-participation and will be marked as half an absence.

- Students are responsible for any and all material missed during an absence.
- If you sustain a significant injury during the term that will impact your participation for longer than a week's worth of classes (i.e. 2 classes) and if this injury is verified by a medical practitioner's note, your case will be submitted to the Dance Division Committee to address your situation.

### **Guidelines for Formatting Assignments**

Reflective Journal: You will put a title, your name and UCID on a cover sheet. You will provide a hard copy of a clearly organized, easy to read, weekly training log with a clear start and end date of all physical activity for 7 weeks (week 4 – week 9; including Reading Week). This may be typed or hand written and will include ALL of the following items: day, date, time, description, duration, intensity. You will type a one-page summary (explanation, evaluation and reflection) of the change experienced in physical fitness across the 7 weeks. This will formatted as follows: double spaced, 12 point Calibri font, with default margins.

### **Guidelines for Submitting Assignments**

All Quizzes will be written at the beginning of class (12:00 noon).

The Reflective Journal will be handed in as a hard copy only at the beginning of class (12:00 noon).

### Late Assignments

Missed Quizzes: You will only be able to make up a missed quiz due to illness/injury if you contact Sarah Kenny BEFORE the start (12:00 noon) of the missed class via email or in person. Quizzes can only be made up the VERY NEXT class (i.e. the following Tuesday). This allowance implies a level trust that you are expected to honour, whereby you will not to discuss quiz material with fellow students.

The Reflective Journal will not be accepted beyond the day that it is due: Thursday April 7, 2016. If it is submitted after 12:00 noon, then your grade will be affected by as much as 10%.

### Criteria That Must Be Met To Pass

In order to achieve a passing grade in the course, the minimum requirement is D.
