ACCESS Calgary  Loading Zones
University of Calgary Main Campus

Ever wonder where the loading zones are on the University of Calgary main campus? Did you know there are nine of them? Well, here they are!

When you book your trip, give the ACCESS Calgary passenger agent the name of one of the ten accessible drop-off/pick-up locations shown on the map. Keep this map handy for when you book your trips to or from the University of Calgary—it will help you and the passenger agent understand exactly which location you will be waiting at for pick-up or where you need to go.
