Purpose
1 The purpose of this policy is to set out the eligibility criteria for supervisory positions and to set out the expectations for Graduate Student supervision.

Scope
2 This policy applies to Academic Staff Members.

Definitions
3 In this policy
   a) “Academic Staff Member” means an individual who is engaged to work for the University and is identified as an academic staff member under Article 1 of the Collective Agreement.

   b) “Co-Supervisor” means an individual who is named as Co-Supervisor and serves as a second Supervisor of a Graduate Student.

   c) “Collective Agreement” means the collective agreement between the Faculty Association of the University of Calgary and the Governors of the University of Calgary in effect at the relevant time.

   d) “Graduate Program Director” means the Academic Staff Member appointed by a Dean or Department Head to administer a graduate program.

   e) “Graduate Student” means a student registered with the Faculty of Graduate Studies.
Policy Statement

4.1 The University is committed to providing the consistent and high quality supervision that is critical to Graduate Students’ success.

4.2 Expectations for Supervisors and Co-Supervisors are set out in the Best Practices for Supervisors.

Eligibility for Supervisory Privilege

4.3 An Academic Staff Member in the Professorial Ranks (including a member of the Senior Leadership Team holding a concurrent academic appointment) is eligible to hold Supervisory Privileges.

4.4 An Academic Staff Member in the Instructor Ranks is eligible to hold Supervisory Privileges if the appropriate Dean recommends Supervisory Privileges and indicates graduate supervision comprises a component of workload for this Academic Staff Member.

4.5 An emeritus, faculty professor, adjunct or clinical appointee who has experience and continuing research productivity in the Graduate Student’s field of interest, or a faculty member from another recognized institution holding equivalent supervisory privileges, may also be appointed as a Supervisor on a case by case basis. A Co-Supervisor with unlimited Supervisory Privileges must be appointed under such circumstances.

Granting of Supervisory Privileges

4.6 A Dean, Associate Dean or Department Head, in consultation with the Graduate Program Director, may recommend an eligible Academic Staff Member for Supervisory Privileges. The recommendation should specify whether the Supervisory Privileges:
   a) are limited to a number of Graduate Students;
   b) are limited to a level of Student;
c) require a Co-Supervisor;
d) require a mentor; or
e) are unlimited.

The Dean, Associate Dean or Department Head who recommended any limitations on an Academic Staff Member’s Supervisory Privileges may, at any time, recommend lifting any of the limitations.

4.7 The Dean of Graduate Studies will grant Supervisory Privileges for a renewable five year term on the recommendation of the appropriate Dean, Associate Dean or Department Head. The Dean of Graduate Studies will lift limitations on a Supervisor’s Supervisory Privileges on the recommendation of the appropriate Dean, Associate Dean or Department Head.

4.8 Graduate programs will maintain their own supervisory policies, which cannot contradict this policy. These supervisory policies will specify criteria for granting limited or unlimited Supervisory Privileges and will set out a maximum supervisory load.

4.9 Prior to being granted Supervisory Privileges for the first time by the Dean of Graduate Studies, all prospective Supervisors must either attend a University of Calgary Supervisory Development Workshop or complete an approved on-line supervisor development program.

Review and Renewal of Supervisory Privileges

4.10 Supervisory Privileges will be subject to renewal every five years. At least six months prior to the expiry of a Supervisor’s Supervisory Privileges, the Faculty of Graduate Studies will alert the Graduate Program Director of the upcoming expiry. In consultation with the appropriate Dean or their designate, the Graduate Program Director will review the supervisory record.

4.11 If the review of the supervisory record does not identify any concerns the Graduate Program Director will recommend renewal of the Supervisor’s Supervisory Privileges to the Dean of Graduate Studies and the Dean of Graduate Studies will renew the Supervisory Privileges for another renewable five year term.

4.12 If a review of the supervisory record identifies concerns, such as a pattern of Graduate Student withdrawals or changes in supervision, a pattern of protracted times to candidacy or completion (beyond the norm in the graduate program and not attributable to specificities of the area of study), or if there are other reasons for concern, the appropriate Dean will initiate a formal review of the Supervisor’s Supervisory Privileges.

4.13 A formal review of Supervisory Privileges will be conducted under the Procedure for the Review of Supervisory Privileges.
4.14 Removal of Supervisory Privileges should occur only in exceptional circumstances, or when remedial or mentoring efforts have not changed the patterns or concerns that initiated the formal review.

Continuity of Supervision
4.15 In agreeing to supervise a Graduate Student, an Academic Staff Member is committing to supervising that Graduate Student through to completion of their degree or withdrawal from the graduate program.

4.16 If a Supervisor leaves the University, the Graduate Program Director, the graduate program and the Faculty of Graduate Studies must arrange for alternative supervision, if required.

4.17 In the event that the Graduate Student’s lack of progress seems likely to result in non-completion of the degree, the Supervisor should initiate the Graduate Student’s requirement to withdraw for failure to maintain progress.

4.18 If the requirement to withdraw is not approved by the Faculty of Graduate Studies, the Supervisor may be required to fulfill his/her commitment to the Graduate Student.

4.19 Under exceptional circumstances, a Supervisor may request permission from the Faculty of Graduate Studies to discontinue supervision of a Graduate Student.

Financial Commitments
4.20 When a Supervisor offers financial support to a Graduate Student, a Supervisor makes a commitment on behalf of the University. This commitment should be co-signed or otherwise approved by the Graduate Program Director.

4.21 A Supervisor should clearly state in the offer of financial support any expectations associated with the financial support arrangement such as the Graduate Student’s continued registration and progress in a graduate program and contribution to the Supervisor’s research program.

4.22 In instances of breakdown of the Supervisory relationship, financial exigency or other circumstances, it is the collective responsibility of the Supervisor(s), the graduate program(s) and the Faculty of Graduate Studies to ensure that financial commitments are met.

Leaves of Absence
4.23 A Graduate Program Director and the Supervisor must ensure that the Graduate Student is provided with continued supervision during a Supervisor’s long-term leave. If the Supervisor and any Co-Supervisor will be unavailable, an interim Supervisor may be appointed to ensure continuity in supervision.
4.24 Graduate Students should be informed well in advance about Supervisors’ or any Co-Supervisors’ plans for forthcoming research or scholarship leaves.

4.25 When an interim Supervisor is appointed to cover a Supervisor’s absence, the permanent Supervisor retains responsibility for the continued supervision of the Graduate Student.
