

## TRANSFER AWARDS

### General Information and Policies

Transfer Awards are offered to students entering the University of Calgary who have received transfer credit for the equivalent of at least five full courses completed at another post-secondary institution **or** for University of Calgary students in exchange programs who are returning to the University of Calgary with transfer credit for the equivalent of at least four full courses completed at their host institution. Transfer courses that are extra to the degree will not be included in the required minimum five full course equivalents or four full course equivalents for U of C exchange students. Students must be pursuing a first degree.

- Upon completion of consecutive Fall and Winter Sessions at the University of Calgary, transfer students are then eligible to apply for Competitive Undergraduate Awards.
- Students entering or continuing in the Bachelor of Education (Master of Teaching Program) must apply for awards using the Competitive Undergraduate Awards application form; Deadline is June 15.

The following points should be considered when applying for Transfer Awards:

- Transfer Awards application forms are available from the Student Awards and Financial Aid office website by April each year: [www.ucalgary.ca/awards/](http://www.ucalgary.ca/awards/)
- Application must be made on the current application form. Completed applications must be post-marked or received by the Student Awards and Financial Aid office on or before **October 1**.
- Selection is based on the most recently completed five full course equivalent courses as determined by the Admissions Office.
- In order to be *considered* for scholarships, students must normally present a minimum GPA of 3.20 and to be *considered* for bursaries, students must normally present a minimum GPA of 2.60.
- Supplemental, deferred and special deferred examinations or term work may affect eligibility for awards.
- As awards are only tenable at the University of Calgary and only for the current academic year, recipients must be registered full-time at the University of Calgary in order to *receive* the award.
- In support of the Academic Plan, awards are distributed among the most deserving students and in keeping with the terms of reference for awards. No student may normally receive total award funds of more than the value equivalent to the average cost of attendance as calculated by the Student Awards and Financial Aid office unless the value of the award is higher.

The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that gifts from donors, or returns from particular investments for these purposes will permit.

As this information is published a considerable time before the opening of the session, the University reserves the right to make whatever changes circumstances may require, including cancellation or addition of particular awards.

Name of Award and Donor	Value	No.	Year Entering	Faculty or Fields of Study	Conditions: offered annually. Apply to the Student Awards and Financial Aid office (MLB 124) by <b>OCTOBER 1</b> unless otherwise stated.
