Voluntary Student Contribution

A Student Initiative
- In March 1995, the engineering undergraduate student body voted 90.9% in support of the $25 per term Voluntary Student Contribution to the University of Calgary Engineering Endowment (UCEE).

Long Term Benefit
- The UCEE is a fund in which the donations made by students, alumni, and industry are invested, and the revenue is then invested in the future of the undergraduate engineering program. The principal is never spent, and in this way, small donations by individuals CAN make a difference.

You Control the Money
- The money in the fund is controlled by representatives of industry, the faculty, and STUDENTS LIKE YOU. These elected representatives of the student body have a strong say in how and where the money is used. You have a say in how your money is spent!

What if I don’t support UCEE?
- There are, however, students who don’t support UCEE. You can opt out of this fee. An opt out form is available in the Registrar’s office and on the reverse page. In order to opt out, this form must be submitted to the Registrar’s Office before the fee deadline.

More Information
- For more information about the University of Calgary Engineering Endowment or the opt out process, contact the Faculty of Engineering, ENC 202 (Ph: 220-5738) or the Engineering Students’ Society, ENE 132 (Ph: 220-5737).
All Engineering undergraduate students are being asked to make a tax deductible donation to the University of Calgary Engineering Endowment. Full and part-time undergraduates are automatically levied $25 per session (Fall and Winter). The monies raised will be invested, and the revenue from these investments will be put toward improving the laboratory facilities of the engineering undergraduate program. The donation is not refundable after the deadline for payment of fees. If you wish to cancel or raise the amount of your donation, please complete the following:

**THIS FORM MUST BE SUBMITTED BY THE REGISTRATION DEADLINE FOR THE APPLICABLE SESSION**

**Fall Session**

☐ Please cancel my donation.

☐ Please increase my donation to $__________________

**Winter Session**

☐ Please cancel my donation.

☐ Please increase my donation to $__________________
