#### **"Corridor Analysis & Twinning for the link between Edmonton & Fort McMurray – Functional Planning Study"**

The first presentation is by Roberta Clifford from AMEC Infrastructure Ltd. She has worked in the Transportation Engineering field for over 30 years and has extensive transportation planning experience on projects throughout Alberta, such as the location study for Highway 40 between Grande Cache and Grande Prairie, and both relocations of Highway 63 through the Syncrude site. Most recently, she has been involved in the planning of the NE Alberta Transportation Corridor.

The second presentation is by Henry Devos, Edmonton Branch Manager for McElhanney Consulting Services Ltd.
