### April 16, 2009 Dinner Meeting

Sponsored by ISL Engineering,  
Partnering with the PMI

### **"Project Management in P3s"**

*by Garry Lamb, M. Eng., P. Eng.*

#### Abstract:

In Calgary, work is presently underway on the expansion of NW Stoney Trail. Alberta Transportation recently announced its intention to proceed with the SE Stoney Trail Project, extending the Calgary Ring Road from 17th Ave. SE to Macleod Trail and Hwy 22X.

Project management techniques used to coordinate the numerous contracts, consultants, contractors and the surrounding community will be presented.

#### About the Speaker:

Garry is the Urban Construction Manager for Calgary with Alberta Transportation. He is the Project Sponsor for all new Provincial Highway work within the City of Calgary, which includes the Calgary Ring Road and the Deerfoot Trail.

Garry was born and raised in Calgary. He obtained a B.Sc. (Civil Eng.) from the University of Calgary in 1975 and he completed his Masters of Engineering Degree in 1983.

His has spent his career working in the Calgary area, primarily in the field of project management. Projects have included expansions of Calgary's Water Treatment Plants, pump stations, reservoirs, the Calgary Convention Centre, Westside Recreation Centre and the recent expansion of Mount Royal College.

Garry is currently managing the design and construction of the Calgary Ring Project.

The CSCE is a learned society intended to develop and maintain high standards of civil engineering practice in Canada and to enhance the public image of the civil engineering profession.

This Dinner Meeting will be held at the Blackfoot Inn (5940 Blackfoot Trail SE)
