

Traditional Residence Roommate Agreement

The roommate agreement is a set of terms that roommates agree to in order to create an enjoyable and cooperative living environment. This agreement is a starting point to establish open communication and set expectations, in order to decrease the likelihood of potential conflicts throughout the year. It is essential that all roommates are present and honest when completing the roommate agreement.

If you have any questions, or concerns, please contact your Community Ambassador to assist you.

Please email a copy of this completed agreement to your Community Ambassador.
