Our story began in 1974, when the Broderick family started renting out appliances at their bottle depot on Macleod Trail in Calgary. From those humble beginnings, Trail Appliances has grown to become the leading independent appliance retailer in Western Canada. We offer a unique, comfortable shopping experience. From the moment you visit our showroom and speak to our product experts, to your appliance purchase, delivery and after-sale care, we are committed to providing comprehensive service.

Having built our reputation on strong family values and developed an innovative approach to showcasing appliances, we're proud to be recognized as an industry leader.
