

# Access Your UAPP Annual Statements and Retirement Planner

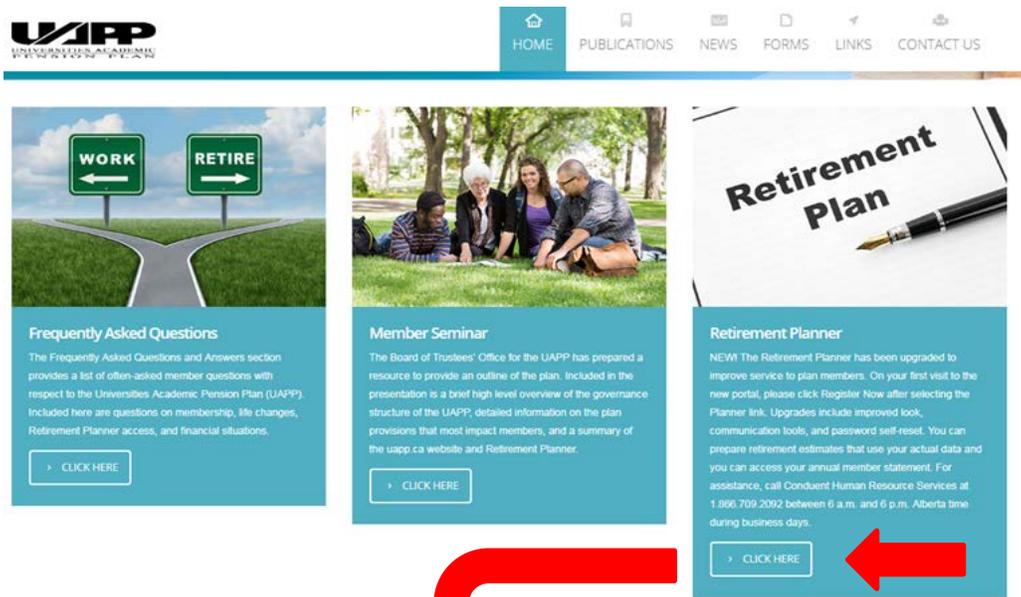

Upon hire, eligible **Academic** and **Management and Professional Staff** employees at the U of C are automatically enrolled in the University Academic Pension Plan (UAPP). The UAPP website has been set-up as a resource for you to learn about your pension plan. General information about the UAPP is found on the UAPP website. Your personal pension statements and self-serve pension projection tools are located in the secure area of the website: the Retirement Planner portal.

**Note: The Retirement Planner portal has been upgraded in September 2017 to improve service to plan members. Upgrades include improved look, communication tools, and password self-reset.**

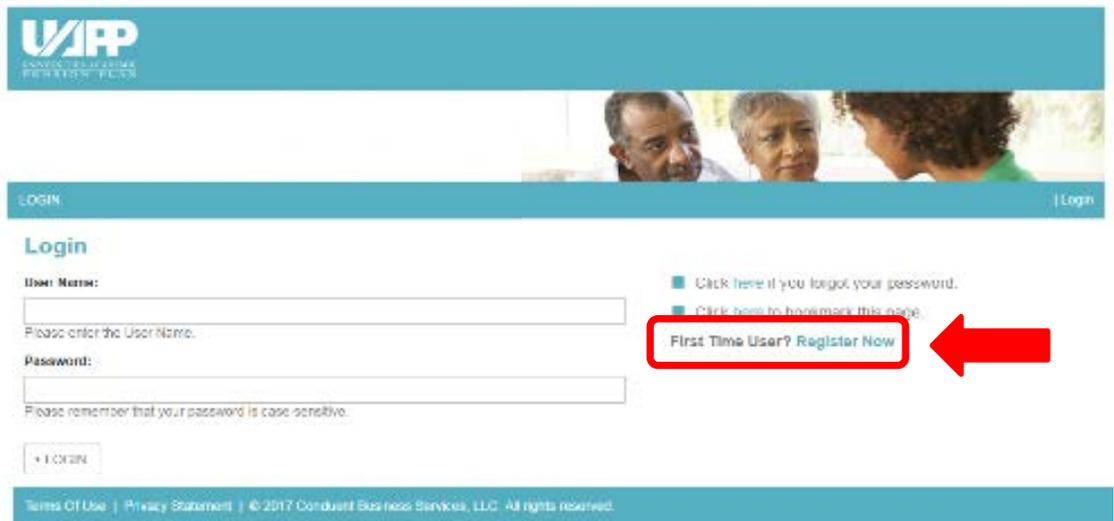

**On your first visit to the upgraded portal, you will need to set up a new login. Your old login will not work.**

Begin, by navigating to the UAPP website located at: [www.uapp.ca](http://www.uapp.ca)

Click on the link to the Retirement Planner portal

On your first visit to the upgraded Retirement Planner portal, you need to set up your new login. Do not use your old login. Instead, please click **Register Now** link.
