

Embracing Workplace Change

How do you stay productive during times of uncertainty and change?

This course offers self-care strategies for coping with, and embracing, change. Skills taught include: continuous learning, collaborating with others, managing thinking, valuing mistakes, staying balanced, and taking action.

Course Contents

- A stage-based model of transition and self-assessment test.
- Warning signs of poorly managed change.
- Six principles of continuous learning.
- Managing distressing feelings, thinking and misperceptions.
- Working together for trust and support.
- How to add value to your workplace and take risks.

Additional Features

- Self-guided workbooks for completing offline.
- Resources for continued learning.
- Course certificate can be printed following successful completion of course learning quiz.
