Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional [terms and conditions](#) related to seat selection

Please read important information and notices regarding Air Canada's [general conditions of carriage](#).

You may carry onboard items which fall within the two (2) piece carry-on allowance: one (1) carry-on bag or suitcase (wheels and handles included in the size) and one (1) personal article such as a briefcase, laptop computer, diaper bag, camera case, cartons or other similar item. Learn more about Air Canada's [Carry-on Baggage restrictions](#).

1 personal article	16cm x 33cm x 43cm 6" x 13" x 17"	Your carry-on baggage must be light enough that you can store it in the overhead bin unassisted.

It is recommended that documents and medication be packed in your carry-on baggage. All prescription medications must be properly labelled with the names of the patient, the medication and the issuing medical office or pharmacy.

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods * include, but are not limited to compressed gases (e.g. oxygen bottles or tear gas), corrosives, explosives (e.g. fireworks), flammable liquids and solids (e.g. paints and lighter fluid), radioactive materials (e.g. radio-pharmaceuticals), oxidizing materials, poisons, infectious substances and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the [Security Requirements and Dangerous Goods](#) page for more information.

There are special exceptions for small quantities (up to 70 ounces total) of medication and toiletry articles carried in your luggage and certain smoking materials carried on your person. NOTICE - SOLD SUBJECT TO CARRIER'S TARIFF

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Convention applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - o Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - o Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - o Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - o Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - o Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.
 - o Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - o Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - o Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

You may carry onboard items which fall within the two (2) piece carry-on allowance: one (1) carry-on bag or suitcase (wheels and handles included in the size) and one (1) personal article such as a briefcase, laptop computer, diaper bag, camera case, cartons or other similar item. It is recommended that documents and medication be packed in your carry-on baggage. All prescription medications must be properly labelled with the names of the patient, the medication and the issuing medical office or pharmacy.

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods * include, but are not limited to compressed gases (e.g. oxygen bottles or tear gas), corrosives, explosives (e.g. fireworks), flammable liquids and solids (e.g. paints and lighter fluid), radioactive materials (e.g. radio-pharmaceuticals), oxidizing materials, poisons, infectious substances and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the [Security Requirements and Dangerous Goods](#) page for more information.

There are special exceptions for small quantities (up to 70 ounces total) of medication and toiletry articles carried in your luggage and certain smoking materials carried on your person. NOTICE - SOLD SUBJECT TO CARRIER'S TARIFF

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Convention applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.
 - Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

- Consumer flight passes are serviced for individual consumers only. Travel agencies, wholesalers, consolidators, and other persons or entities engaged in the selling or distribution of air transportation or packages comprising air transportation are not eligible for the purchase of the Flight Pass.

However, a Flight Pass owner can request a transfer of the Flight Pass if the Flight Pass was purchased for business travel and paid for by a business or not-for profit organization, that is duly registered and doing business in Canada (each referred to as an "Eligible Business"). In order to make such a transfer, the Flight Pass owner must request a name change to the Flight Pass. Name changes may be requested by contacting [Customer Relations](#). The Flight Pass owner will be required to complete a form waiving all rights to the Flight Pass and giving Air Canada authorization to effect a name change on behalf of the Eligible Business. Flight Pass name changes are subject to Air Canada's consent and a fee of \$125 CAD, plus applicable taxes, will apply.
- Flight Passes are non-refundable.

- This Flight Pass is valid for 12 consecutive months from date of purchase. Travel must be booked and completed within the validity period. All unused flight credits remaining beyond the Flight Pass expiration date will be forfeited. No extensions will be permitted. Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

However, a Flight Pass owner can request a transfer of the Flight Pass if the Flight Pass was purchased for business travel and paid for by a business or not-for profit organization, that is duly registered and doing business in Canada (each referred to as an "Eligible Business"). In order to make such a transfer, the Flight Pass owner must request a name change to the Flight Pass. Name changes may be requested by contacting [Customer Relations](#). The Flight Pass owner will be required to complete a form waiving all rights to the Flight Pass and giving Air Canada authorization to effect a name change on behalf of the Eligible Business. Flight Pass name changes are subject to Air Canada's consent and a fee of \$125 CAD, plus applicable taxes, will apply.

Although you may check in as early as 24 hours prior to departure, please note that **baggage** may only be checked in at the baggage drop-off counter at the earliest:

- four (4) hours prior to departure for flights from Canada or the U.S., and
- three (3) hours prior to departure for flights from all other locations.

Travel Insurance

Protect your travel investment and also protect yourself against the high cost of medical expenses while out of province. Purchase travel insurance offered by Destina.ca and underwritten by RBC Travel Insurance Company by calling 1-866-530-6021. Enjoy your trip knowing you are properly protected.

Check-in and Boarding Times

In order to allow plenty of time for check-in procedures, baggage drop-off and security checks, always arrive at the airport **well in advance of your flight**. Please familiarize yourself with check-in/baggage drop-off as well as boarding gate deadlines (see table below) as they apply to your destination.

Failure to respect these deadlines may result in the reassignment of any reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.

Important:

- If you are travelling on a [codeshare flight](#), please familiarize yourself with the other airline's policies on check-in times and procedures.

Check-in Tip: To avoid airport line-ups, try our convenient [Web Check-in](#), [Mobile Check-in](#) or our self-service [Check-in kiosks](#) available at most airports used by Air Canada.

Check-in and boarding gate deadlines

Travel	When you should check-in*	Check-in/baggage drop-off ends**
Within Canada	90 minutes	45 minutes [†] † Exception: 20 minutes for flights departing from Toronto City Airport (YTZ).
To/From the U.S.	120 minutes	60 minutes
International	120 minutes	60 minutes
Algiers, Algeria Casablanca, Morocco; Tel-Aviv, Israel	180 minutes	60 minutes

*** Recommended check-in time**

You should check in no later than the times indicated in this column. This will ensure you have plenty of time to check in, drop off your checked baggage and pass through security.

E.g. if your flight from Paris leaves at 4 pm, we recommend that you check in no later than 2:00 pm (i.e. 120 minutes before your flight).

**** Check-in and baggage drop-off deadline**

You must have checked in, obtained your boarding pass and deposited all checked baggage at the baggage drop-off counter before the check-in deadline for your flight.

E.g. if your flight to or from a U.S. city leaves at 7 am, you must have checked in and deposited your checked baggage by no later than 6 am (i.e. 60 minutes before your flight).

***** Boarding gate deadline**

You must be present at the boarding gate by the boarding gate deadline.

E.g. if your flight from Toronto to Ottawa leaves at 11 am, you must be at the boarding gate by no later than 10:40 am (i.e. 20 minutes before your flight).

Travel Info

Visit our [Travel Info](#) section at aircanada.com to find all the information you'll need to plan your trip. Learn more about travel documents, baggage information, health tips, Maple LeafTM Lounges and a preview of onboard meals and entertainment.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

- The purchasing individual must be a Canadian resident with a valid Canadian address and be an Aeroplan member with a valid Aeroplan number and password at time of purchase AND during the validity period of the Flight Pass. For new enrolments, activation of a new Aeroplan membership may take up to 72 hours. The purchasing individual will be listed as the Flight Pass owner.
- Consumer flight passes are serviced for individual consumers only. Travel agencies, wholesalers, consolidators, and other persons or entities engaged in the selling or distribution of air transportation or packages comprising air transportation are not eligible for the purchase of the Flight Pass.
- Air Canada reserves the right at any time to determine and re-examine the purchase eligibility, as well as the right to modify or otherwise amend the eligibility requirements.
- Air Canada reserves the right, at any time, to verify the status of the purchaser, including the verification of information provided by the purchase and making a request for additional information to ensure that the purchaser meets the Flight Pass purchase terms and conditions.
- The Flight Pass can only be used by the Flight Pass owner. However, a Flight Pass owner can request a transfer of the Flight Pass if the Flight Pass was purchased for business travel and paid for by a business or not-for profit organization, that is duly registered and doing business in Canada (each referred to as an "Eligible Business"). In order to make such a transfer, the Flight Pass owner must request a name change to the Flight Pass. Name changes may be requested by contacting [Customer Relations](#). The Flight Pass owner will be required to complete a form waiving all rights to the Flight Pass and giving Air Canada authorization to effect a name change on behalf of the Eligible Business. Flight Pass name changes are subject to Air Canada's consent and a fee of \$125 CAD, plus applicable taxes, will apply.
- Flight Passes are non-refundable.

Validity Period

- This Flight Pass is valid for 12 consecutive months from date of purchase. Travel must be booked and completed within the validity period. All unused flight credits remaining beyond the Flight Pass expiration date will be forfeited. No extensions will be permitted. It will expire at 11:59 pm (GMT) on the one-year anniversary of its purchase date. Please make the necessary adjustments for your local time zone.
- 1 month prior to pass expiration date, Flight Pass may be extended for 3 months for a \$275 CAD fee, plus taxes. This fee is subject to change. Extension fee will be assessed at time of Flight Pass extension. Extension fee is subject to change at any time without notice.
- A Flight Pass extension can be processed one time per pass and must be completed prior to pass expiration. All unused flight credits remaining beyond Flight Pass expiration date, or extended expiration date, will be forfeited.

- Upgrades using Star Alliance Upgrade Awards are also permitted as per the terms and conditions of the Star Alliance Upgrade Awards program. Learn more at aircanada.com/saua.
- Upgrades using Air Canada eUpgrade Credits are permitted, as per the terms and conditions of the eUpgrades program. Learn more at aircanada.com/eUpgrades.
- For Flight Pass bookings which include confirmed Star Alliance Upgrade Awards or eUpgraded flight(s), the traveller/sponsor's eUpgrade account will be decremented should the traveller wish to use their complimentary Flight Pass upgrade within 48 hours prior to departure. To re-credit your eUpgrade account, the upgraded booking must be cancelled and rebooked under a new booking reference in the original Latitude booking class. If the original flight(s) is no longer available, an alternate flight must be selected.
- A successful upgrade grants access to Air Canada Maple Leaf Lounges upon presentation of an Executive Class boarding pass.

Travel Documents

All passengers 16 years of age and older are required to present government issued photo-id (ie: passport, driver's licence, medicare card, etc) at the check-in counter and when boarding the aircraft. The name on the photo-id must match the name on this receipt. In addition, you must present your itinerary/receipt to immigration authorities, if requested.

Checked baggage drop-off

You must have deposited all checked baggage at the drop-off counter before the check-in deadline for your flight.

Although you may check in as early as 24 hours prior to departure, please note that baggage may only be checked in at the baggage drop-off counter at the earliest:

- four (4) hours prior to departure for flights from Canada or the U.S., and
- three (3) hours prior to departure for flights from all other locations.

Schedule Change

If a schedule change occurs more than 48 hours prior to departure, the main contact will be notified by email. If a schedule change occurs within 48 hours of departure, the main contact will be notified by phone.

Flight Confirmation

Although reconfirmation of flights is not required, we strongly recommend that you check your flight status [online](#) at [aircanada.com](#) or by calling our flight information system at 1-888-422-7533 prior to your departure.

Travel Insurance

Protect your travel investment and also protect yourself against the high cost of medical expenses while out of province. Purchase travel insurance offered by Destina.ca and underwritten by RBC Travel Insurance Company by calling 1-866-530-6021. Enjoy your trip knowing you are properly protected.

Check-in and Boarding Times

In order to allow plenty of time for check-in procedures, baggage drop-off and security checks, always arrive at the airport

well in advance of your flight. Please familiarize yourself with check-in/baggage drop-off as well as boarding gate deadlines (see table below) as they apply to your destination.

Failure to respect these deadlines may result in the reassignment of any reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.

Important:

- If you are travelling on a [codeshare flight](#), please familiarize yourself with the other airline's policies on check-in times and procedures.

Check-in Tip: To avoid airport line-ups, try our convenient [Web Check-in](#), [Mobile Check-in](#) or our self-service [Check-in kiosks](#) available at most airports used by Air Canada.

Check-in and boarding gate deadlines

Travel	When you should check-in*	Check-in/baggage drop-off ends**
Within Canada	90 minutes	45 minutes [†] [†] Exception: 20 minutes for flights departing from Toronto City Airport (YTZ).
To/From the U.S.	120 minutes	60 minutes
International	120 minutes	60 minutes
Algiers, Algeria Casablanca, Morocco; Tel-Aviv, Israel	180 minutes	60 minutes

* Recommended check-in time
You should check in no later than the times indicated in this column. This will ensure you have plenty of time to check in, drop off your checked baggage and pass through security.
E.g. if your flight from Paris leaves at 4 pm, we recommend that you check in no later than 2:00 pm (i.e. 120 minutes before your flight).

** Check-in and baggage drop-off deadline
You must have checked in, obtained your boarding pass and deposited all checked baggage at the baggage drop-off counter before the check-in deadline for your flight.
E.g. if your flight to or from a U.S. city leaves at 7 am, you must have checked in and deposited your checked baggage by no later than 6 am (i.e. 60 minutes before your flight).

*** Boarding gate deadline
You must be present at the boarding gate by the boarding gate deadline.
E.g. if your flight from Toronto to Ottawa leaves at 11 am, you must be at the boarding gate by no later than 10:40 am (i.e. 20 minutes before your flight).

Travel Info

Visit our [Travel Info](#) section at [aircanada.com](#) to find all the information you'll need to plan your trip. Learn more about travel documents, baggage information, health tips, Maple LeafTM Lounges and a preview of onboard meals and entertainment.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

However, a Flight Pass owner can request a transfer of the Flight Pass if the Flight Pass was purchased for business travel and paid for by a business or not-for profit organization, that is duly registered and doing business in Canada (each referred to as an "Eligible Business"). In order to make such a transfer, the Flight Pass owner must request a name change to the Flight Pass. Name changes may be requested by contacting [Customer Relations](#). The Flight Pass owner will be required to complete a form waiving all rights to the Flight Pass and giving Air Canada authorization to effect a name change on behalf of the Eligible Business. Flight Pass name changes are subject to Air Canada's consent and a fee of \$125 CAD, plus applicable taxes, will apply.
- Flight Passes are non-refundable.

Check-in and Boarding Times

In order to allow plenty of time for check-in procedures, baggage drop-off and security checks, always arrive at the airport **well in advance of your flight**. Please familiarize yourself with check-in/baggage drop-off as well as boarding gate deadlines (see table below) as they apply to your destination.

Failure to respect these deadlines may result in the reassignment of any reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.

Important:

- If you are travelling on a [codeshare flight](#), please familiarize yourself with the other airline's policies on check-in times and procedures.

Check-in Tip: To avoid airport line-ups, try our convenient [Web Check-in](#), [Mobile Check-in](#) or our self-service [Check-in kiosks](#) available at most airports used by Air Canada.

Check-in and boarding gate deadlines

Travel	When you should check-in*	Check-in/baggage drop-off ends**
Within Canada	90 minutes	45 minutes [†] † Exception: 20 minutes for flights departing from Toronto City Airport (YTZ).
To/From the U.S.	120 minutes	60 minutes
International	120 minutes	60 minutes
Algiers, Algeria Casablanca, Morocco; Tel-Aviv, Israel	180 minutes	60 minutes

- * Recommended check-in time
You should check in no later than the times indicated in this column. This will ensure you have plenty of time to check in, drop off your checked baggage and pass through security.
E.g. if your flight from Paris leaves at 4 pm, we recommend that you check in no later than 2:00 pm (i.e. 120 minutes before your flight).
- ** Check-in and baggage drop-off deadline
You must have checked in, obtained your boarding pass and deposited all checked baggage at the baggage drop-off counter before the check-in deadline for your flight.
E.g. if your flight to or from a U.S. city leaves at 7 am, you must have checked in and deposited your checked baggage by no later than 6 am (i.e. 60 minutes before your flight).
- *** Boarding gate deadline
You must be present at the boarding gate by the boarding gate deadline.
E.g. if your flight from Toronto to Ottawa leaves at 11 am, you must be at the boarding gate by no later than 10:40 am (i.e. 20 minutes before your flight).

Travel Info

Visit our [Travel Info](#) section at aircanada.com to find all the information you'll need to plan your trip. Learn more about travel documents, baggage information, health tips, Maple LeafTM Lounges and a preview of onboard meals and entertainment.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

- The Flight Pass can only be used by the Flight Pass owner. However, a Flight Pass owner can request a transfer of the Flight Pass if the Flight Pass was purchased for business travel and paid for by a business or not-for profit organization, that is duly registered and doing business in Canada (each referred to as an "Eligible Business"). In order to make such a transfer, the Flight Pass owner must request a name change to the Flight Pass. Name changes may be requested by contacting [Customer Relations](#). The Flight Pass owner will be required to complete a form waiving all rights to the Flight Pass and giving Air Canada authorization to effect a name change on behalf of the Eligible Business. Flight Pass name changes are subject to Air Canada's consent and a fee of \$125 CAD, plus applicable taxes, will apply.
- Flight Passes are non-refundable.

Validity Period

- This Flight Pass is valid for 12 consecutive months from date of purchase. Travel must be booked and completed within the validity period. All unused flight credits remaining beyond the Flight Pass expiration date will be forfeited. No extensions will be permitted. It will expire at 11:59 pm (GMT) on the one-year anniversary of its purchase date. Please make the necessary adjustments for your local time zone.
- 1 month prior to pass expiration date, Flight Pass may be extended for 3 months for a \$275 CAD fee, plus taxes. This fee is subject to change. Extension fee will be assessed at time of Flight Pass extension. Extension fee is subject to change at any time without notice.
- A Flight Pass extension can be processed one time per pass and must be completed prior to pass expiration. All unused flight credits remaining beyond Flight Pass expiration date, or extended expiration date, will be forfeited.

Check-in and Boarding Times

In order to allow plenty of time for check-in procedures, baggage drop-off and security checks, always arrive at the airport well in advance of your flight. Please familiarize yourself with check-in/baggage drop-off as well as boarding gate deadlines (see table below) as they apply to your destination.

Failure to respect these deadlines may result in the reassignment of any reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.

Important:

- If you are travelling on a [codeshare flight](#), please familiarize yourself with the other airline's policies on check-in times and procedures.

Check-in Tip: To avoid airport line-ups, try our convenient [Web Check-in](#), [Mobile Check-in](#) or our self-service [Check-in kiosks](#) available at most airports used by Air Canada.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

General conditions of carriage

1. You must obtain your boarding pass and check in any baggage by the check-in deadline. Additionally, you must be available for boarding at the boarding gate by the boarding gate deadline. Failure to respect check-in and boarding gate deadlines may result in the reassignment of any pre-reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.
2. Although reconfirmation of flights is not required, we strongly recommend that you check your flight status online at aircanada.com or by calling our flight information system at 1-888-422-7533 prior to your departure.
3. Advance seat assignments are not guaranteed and may change without notice. If your pre-assigned seat is unavailable, we will try to accommodate you in a comparable seat in the same class of service and will refund any applicable fees.
4. Any travel credit banked for unused tickets is non-transferable: when the credit is redeemed, it must be used by the same person whose name appears on the original ticket.
5. Air Canada will cancel any purchased ticket and provide a full refund without penalty up to 24 hours after purchase. Beyond 24 hours, voluntary changes to your itinerary may require the payment of additional fees and fare upgrades. If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance.
6. **Dangerous goods**

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods include, but are not limited to: compressed gases, corrosives, explosives, flammable liquids and solids, radioactive materials, oxidizing materials, poisons, infectious substances, and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the Restricted and Prohibited Items page on our website for more information.
7. Subject to the provisions of the Montreal Convention and the Warsaw Convention, as well as the provisions of its applicable tariffs, Air Canada may refuse carriage of property in checked luggage that is not suitable for transportation, such as fragile or perishable items and may refuse to carry valuable items (a valuable is deemed to be any item whose value is \$ 1,000 CAD or more, per Kilogram or \$1 CAD per gram). Air Canada may refuse claims based on the inherent nature of an item (e.g. its perishable nature), or for loss or delay of unsuitably or inadequately packed items, to the extent that the destruction, loss or damages resulted from the inherent defect, quality or vice of the baggage, or, in the case of delay, that the carrier, its agents, and servants took all measures that could reasonably be required to avoid the damage, or that it was impossible to take such measures.
8. **International travel**

Governments may require your carrier to provide information on or permit access to passenger data. You cannot travel if you do not have all required travel documents, such as a passport and visa (where applicable), to enter in or transit through each country/region on your itinerary. Please refer to the [Travel Documents](#) page on our website for more information.
9. **In-flight health**

Most people are fit to travel by air, but special attention is required for passengers whose health problems may be exacerbated by altitude, travel stress, hypoxia and other travel related difficulties. Our website offers important health tips and information for customers with special needs who may require medical approval before flying.

Please also note that aircraft disinsection is carried out on certain routes, in compliance with the requirements of the World Health Organization (WHO), the International Civil Aviation Organization, Transport Canada and applicable foreign regulatory authorities. More information is available on our website.
10. **Schedules and timetables**

Time and aircraft type shown in timetables or elsewhere are approximate and not guaranteed, and form no part of the contract. Schedules are subject to change without notice and carrier assumes no responsibility for passenger making connections not included as part of the itinerary set out in the ticket. Carrier is not responsible for changes, errors or omissions either in timetables or other representations of schedules.
11. **Overbooking notice**

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at all airport ticket counters and boarding locations.

General conditions of carriage

1. You must obtain your boarding pass and check in any baggage by the check-in deadline. Additionally, you must be available for boarding at the boarding gate by the boarding gate deadline. Failure to respect check-in and boarding gate deadlines may result in the reassignment of any pre-reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.
2. Although reconfirmation of flights is not required, we strongly recommend that you check your flight status online at aircanada.com or by calling our flight information system at 1-888-422-7533 prior to your departure.
3. Advance seat assignments are not guaranteed and may change without notice. If your pre-assigned seat is unavailable, we will try to accommodate you in a comparable seat in the same class of service and will refund any applicable fees.
4. Any travel credit banked for unused tickets is non-transferable: when the credit is redeemed, it must be used by the same person whose name appears on the original ticket.
5. Air Canada will cancel any purchased ticket and provide a full refund without penalty up to 24 hours after purchase. Beyond 24 hours, voluntary changes to your itinerary may require the payment of additional fees and fare upgrades. If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance.
6. **Dangerous goods**

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods include, but are not limited to: compressed gases, corrosives, explosives, flammable liquids and solids, radioactive materials, oxidizing materials, poisons, infectious substances, and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the Restricted and Prohibited Items page on our website for more information.

7. Subject to the provisions of the Montreal Convention and the Warsaw Convention, as well as the provisions of its applicable tariffs, Air Canada may refuse carriage of property in checked luggage that is not suitable for transportation, such as fragile or perishable items and may refuse to carry valuable items (a valuable is deemed to be any item whose value is \$ 1,000 CAD or more, per Kilogram or \$1 CAD per gram). Air Canada may refuse claims based on the inherent nature of an item (e.g. its perishable nature), or for loss or delay of unsuitably or inadequately packed items, to the extent that the destruction, loss or damages resulted from the inherent defect, quality or vice of the baggage, or, in the case of delay, that the carrier, its agents, and servants took all measures that could reasonably be required to avoid the damage, or that it was impossible to take such measures.

8. **International travel**

Governments may require your carrier to provide information on or permit access to passenger data. You cannot travel if you do not have all required travel documents, such as a passport and visa (where applicable), to enter in or transit through each country/region on your itinerary. Please refer to the [Travel Documents](#) page on our website for more information.

9. **In-flight health**

Most people are fit to travel by air, but special attention is required for passengers whose health problems may be exacerbated by altitude, travel stress, hypoxia and other travel related difficulties. Our website offers important health tips and information for customers with special needs who may require medical approval before flying.

Please also note that aircraft disinsection is carried out on certain routes, in compliance with the requirements of the World Health Organization (WHO), the International Civil Aviation Organization, Transport Canada and applicable foreign regulatory authorities. More information is available on our website.

10. **Schedules and timetables**

Time and aircraft type shown in timetables or elsewhere are approximate and not guaranteed, and form no part of the contract. Schedules are subject to change without notice and carrier assumes no responsibility for passenger making connections not included as part of the itinerary set out in the ticket. Carrier is not responsible for changes, errors or omissions either in timetables or other representations of schedules.

11. **Overbooking notice**

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at all airport ticket counters and boarding locations.

Carry-On Baggage Allowance

Oversized carry-on bags are not permitted on our aircraft and may cause flight delays for all passengers. Please ensure your carry-on bags are within the maximum allowed size as indicated below; **they are required to fit in the double-size verification device** at check-in and boarding gates.

You may carry onboard items which fall within the two (2) piece carry-on allowance: one (1) carry-on bag or suitcase (wheels and handles included in the size) and one (1) personal article such as a briefcase, laptop computer, diaper bag, camera case, cartons or other similar item. Learn more about Air Canada's [Carry-on Baggage restrictions](#).

	Maximum Size	Maximum Weight
1 standard article	23cm x 40cm x 55cm 9" x 15.5" x 21.5"	Your carry-on baggage must be light enough that you can store it in the overhead bin unassisted.
1 personal article	16cm x 33cm x 43cm 6" x 13" x 17"	Your carry-on baggage must be light enough that you can store it in the overhead bin unassisted.

It is recommended that documents and medication be packed in your carry-on baggage. All prescription medications must be properly labelled with the names of the patient, the medication and the issuing medical office or pharmacy.

For safety reasons, dangerous goods must not be packed in checked or carry-on baggage, except as specifically permitted. Dangerous goods * include, but are not limited to compressed gases (e.g. oxygen bottles or tear gas), corrosives, explosives (e.g. fireworks), flammable liquids and solids (e.g. paints and lighter fluid), radioactive materials (e.g. radio-pharmaceuticals), oxidizing materials, poisons, infectious substances and briefcases with installed alarm devices. For security reasons, other restrictions may apply. Please refer to the [Security Requirements and Dangerous Goods](#) page for more information.

There are special exceptions for small quantities (up to 70 ounces total) of medication and toiletry articles carried in your luggage and certain smoking materials carried on your person. United States federal law forbids the carriage of hazardous materials aboard the aircraft in your baggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more.

*also referred as hazardous materials

Codeshare Flights and Other Airlines

Passengers with itineraries that include flights operated by other airlines or codeshare flights may be subject to the carry-on rules and fees of the other airline, which may be different from Air Canada's baggage policy.

For specific terms and conditions of Air Canada [codeshare and interline partners](#) carry-on rules, visit the carrier's website.

Important Information & Conditions

Please review this itinerary/receipt and should you have any questions, please call 1-888-247-2262 within 24 hours of receipt.

Before You Go: A 'To-Do' List

You may require an Electronic Travel Authorization (eTA). For more information, consult <http://canada.ca/eta> to determine if this requirement applies to you.

All passengers are advised to view the [Travel documentation](#) and US Secure Flight Program for important information on documents and identification required for travel.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - o Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - o Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - o Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - o Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - o Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.
 - o Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - o Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - o Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.
