Event Detail

#### Curriculum Vitae Workshop

**Jul 4, 2019 12:00 PM to 12:50 PM**

Don't know the difference between a resumé and a CV? Stuck thinking about how to best outline your skills and experiences?

Get help developing your undergraduate curriculum vitae (CV) for use in scholarship, research and graduate school applications. A curriculum vitae ("CV" or "vitae") is a complete, biographical statement emphasizing your professional qualifications and activities. Please bring a working draft of your CV (or resumé).

Event Detail

#### Open Studies Basics Workshop

**Aug 29, 2019 03:00 PM to 04:00 PM**

Designed for any non-degree holding Open Studies student, this 60-minute introductory workshop builds confidence in planning and navigating the Open Studies journey. The workshop comprehensively reviews Open Studies regulations, course registration processes, and on-campus supports and opportunities. Students will recognize the differences between Open Studies and undergraduate degree programs. Presented by Exploratory Advisors dedicated to supporting Open Studies students, this workshop will cover degree structure, prerequisites, transfer credit, and the drop/add/swap/withdrawal process and deadlines. A campus resource package will be provided. Students are encouraged to ask questions in a conversational setting and to connect with the Open Studies community. The workshop aims to empower students to consider their goals and develop their Open Studies game plan.

*Transition to Undergraduate Degree* is a second workshop offered for Open Studies students. Please see website for more information.
