UCalgary acknowledges the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut’ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to the Métis Nation of Alberta, Region 3.
a bold choice

five reasons to choose UCalgary

1. **Excellence in academics**
   Students can choose from a range of high-quality programs at one of the top 250 universities in the world. With 19 alumni who became Rhodes Scholars and 390 inventions since 2017, we’re a community committed to excellence and innovation.

2. **Research opportunities**
   We’re a leading Canadian research university. With $457.2 million in sponsored research funding in 2019-20, UCalgary provides students the opportunity to gain valuable research experience while helping overcome some of society’s greatest challenges.

3. **A supportive community**
   With academic advising at the Student Success Centre, employment preparation through Career Services, mental health and wellness professionals at Student Wellness Services, and much more, students will find the services and supports they need to thrive at our university.

4. **Earn while they learn**
   Students can take advantage of various employment options while at UCalgary. We offer exciting paid co-operative education, internship and practicum opportunities with companies such as Amazon and BMW.

5. **Adventurous lifestyle**
   Students can explore world-famous landscapes like Banff and Lake Louise. With the Rocky Mountains only an hour away, this is the perfect city for anyone who loves adventure.
UCalgary and Quantum City
From nanotechnology and artificial intelligence to quantum internet and biomedical engineering, Calgary is becoming a true quantum capital city.

Quantum City, announced by UCalgary, the Government of Alberta and leading technology company Mphasis, will create up to 1,000 jobs and help diversify our economy. UCalgary has 130 academics across several fields working in a transdisciplinary fashion to help make Calgary a quantum leader.

They’re designing quantum computers to tackle the toughest problems and strengthen cybersecurity. And they’re taking advantage of this ever-increasing computing power to develop methods to calculate the properties of complex molecules, from water to proteins.

“Our scientists are partnering with the growing number of quantum-based companies. Our innovation ecosystem, including Innovate Calgary and the Creative Destruction Lab - Rockies, has created a powerful pathway for new discoveries to travel from labs through startups to the world.”

Learn more at: ucalgary.ca/news/ucalgary-and-quantum-city

Indigenous Supplemental Admission process
UCalgary acknowledges and respects the rich diversity of learners and of their communities, cultures, traditions, aspirations and abilities. In order to ensure equitable access and successful participation of Indigenous learners, UCalgary is pleased to offer a number of new bridging/pathway options for eligible students of Indigenous ancestry, i.e., First Nations (status and non-status), Métis and Inuit. These pathways include our Indigenous admission supplementary process, and our Indigenous Student Access Program.

Learn more at: ucalgary.ca/pubs/calendar/current/a-5-5-2

Work-integrated learning accelerates at UCalgary
UCalgary offers five forms of experiential learning including co-curricular experiential learning, curriculum-integrated experiential learning, community-engaged learning, research-integrated experiential learning and work-integrated learning.

Integrating with our community — industries, non-profits and governments — increases the relevance of our teaching and research. By providing learning opportunities that directly tie to real-world activities, we strengthen the value of a UCalgary degree and strengthen our bonds with the greater community.

Learn more at: taylorinstitute.ucalgary.ca/conference2018/keynote1/quality-framework-work-integrated-learning

UPCOMING EVENTS
UCalgary will host many online events and virtual tours throughout the year for prospective students.

For complete event details, visit: ucalgary.ca/future-students/undergraduate/tours-events

DID YOU KNOW that your students don’t need to receive an offer of admission to apply for awards?

Once they’ve applied for admission, they can apply for awards right away!

dates and deadlines

2021

exceptional facilities

Taylor Family Digital Library
The Taylor Family Digital Library is one of North America's most technology- and information-rich facilities. It provides many excellent study and collaboration spaces for students.

Residence
Living on campus is a great way for students to immerse themselves in all that the university has to offer. Students can easily access leadership, academic and wellness resources, and have many opportunities to get involved in activities in their community.

MacEwan Student Centre
The lively MacEwan Student Centre is a hub for social activity and home to many services, including a medical centre and 20+ food outlets.

The Olympic Oval
The Oval was built for the 1988 Olympic Winter Games. Students can watch an international speed skating competition or take skating lessons on the world’s fastest ice.

our university
Students can live and study on our park-like main campus — a hub of social, cultural and academic life that boasts strong campus traditions more than 50 years in the making. Our students love the heated above-ground tunnels that connect our campus in the winter months.

Explore the University of Calgary using Google Street View at: ucalgary.ca/future-students/undergraduate/tours-events

Light rail transit and buses connect the university to the rest of Calgary, so students can easily explore the city. The university transit station is just five short stops from downtown. Students get unlimited use of public transit with their student UPass.

Other resources
GUIDANCE COUNSELLOR WEB RESOURCES
Access helpful resources for students and counsellors. Learn more at: ucalgary.ca/future-students/undergraduate/high-school-counsellors-and-advisors

STUDENT WELLNESS SERVICES
Medical and mental health services are available on campus. Learn more at: ucalgary.ca/wellness-services

STUDENT ACCESSIBILITY SERVICES
Students can access advisors who can help them transition accommodations from high school to university. Learn more at: ucalgary.ca/access

UCALGARY DINOS
Do you have students who are interested in playing for the Dinos? Students should directly contact the head coach of the sport they’re interested in. Learn more at: godinos.com

APPLYING FOR STUDY PERMITS
Staff in International Student Services can legally answer questions from international students about the study permit application process. For more information, visit: ucalgary.ca/iss/immigration/study-permits

LIVING ON CAMPUS
Students are guaranteed a home on campus for the first two years of study if they apply for residence by May 1, 2022. Learn more at: ucalgary.ca/residence

### APPROVED ALBERTA HIGH SCHOOL COURSES

- English Language Arts 30-1
- Biology 30
- Chemistry 30
- Mathematics 30-1, Mathematics 30-2, Mathematics 31
- Physics 30
- Social Studies 30-1
- Aboriginal Studies 30-1

### APPROVED OPTIONS

- Social Studies 30-2
- Social Science
  - International Politics
  - World Religions
  - World Geography
  - Environmental Psychology
  - Cultural and Physical Anthropology

### Career and Technology course groupings

- (all courses within a course grouping can be used)
- Criminal Justice Studies
- Design Studies
- Electro-technologies
- Enterprise and Innovation
- Environmental Stewardship
- Financial Management
- Human and Social Services

### Dual Credit courses

- Locally Developed courses
- Locally developed courses may be considered for admission, but applicants are encouraged to send course outlines to admissions@ucalgary.ca for assessment.
- Options from the approved list will be considered if required.
- Students must complete the approved option requirement (five or six credits) using the courses with the higher grades first. Intermediate and Advanced Credits cannot be combined to satisfy a course requirement.
- For standard admission, intermediate credits will be used when five advanced credits aren’t available. For final admission, advanced credits will be used.

### Notes

1. Two courses in the same subject area may not be presented to satisfy entrance requirements unless the courses are Mathematics 30-1, Mathematics 30-2, Mathematics 31, or equivalent.
2. Only one senior level course in the same language may be used to satisfy admission requirements.
3. A maximum of one Fine Arts course may be used for admission.

---

Learn more about UCalgary’s admission requirements by province or curriculum: ucalgary.ca/future-students/undergraduate/requirements

---

**FOOTNOTES**

1. The early admission average will be calculated on grades from 20-level courses (Grade 10). If grades for 30-level courses (Grade 12) are available, they’ll be used to calculate a student’s admission average. A 20-level or 30-level (or equivalent) of each required course must be presented for an average to be calculated.
2. A grade of at least 70% in Mathematics 30-1 is required for admission.

admission information

English language requirements

There are three ways to meet our English language entrance requirements: high school studies, English language test scores, and the Academic Communication Certificate.

High school studies

To meet the English language requirements with high school studies, students must have completed three years of study in an ELP exempt country, or at an accredited high school (Canadian, American, British or CIS school) where English is the primary language of instruction. Their final English course must also be equivalent to Alberta’s senior-level (Grade 12) English.

Learn more at: ucalgary.ca/pubs/calendar/current/a-11

English language test scores

If a student’s high school education doesn’t fulfill UCalgary’s English language requirements, they can present one of the minimum scores listed in the table below.

Note: Our school code for the TOEFL exam is 0813 and the department code is 00.

Academic Communication Certificate (ACC)

The ACC is for English learners who want to enter a university program. If a student applies for undergraduate admission and will complete the ACC through UCalgary Continuing Education by the end of summer term in the year of application, they could be considered for conditional admission to a degree program.

Learn more at: esl.ucalgary.ca/programs/academic-communication-certificate

Dual credit students

For admission to a degree program, applicants will be considered high school applicants if they haven’t completed more than 30 units (10 courses) of dual credit courses at a post-secondary institution. They’ll be considered transfer students if they’ve completed more than 30 units (10 courses).

Diverse qualifications admission process

If a student has achieved excellence outside of their academics or has overcome significant hardships, they may seek admission under the diverse qualifications process. To be considered for admission under this process, they must be a Canadian citizen or permanent resident and demonstrate:

- excellence in non-academic areas; or
- high potential in academic or research activities; or
- perseverance under great difficulty or hardship

Admissions under diverse qualifications is only available for the first-choice program and isn’t available for honours programs.

Visit: ucalgary.ca/future-students/undergraduate/diverse-qualifications

Indigenous students

The University of Calgary has several pathway options to support Indigenous learners in the admission process. Students must self-identify to be automatically considered for all pathways.

UCalgary has a dedicated Indigenous Student Recruitment Advisor who can support Indigenous students throughout the application process.

Connect with them at: indigenous.recruiter@ucalgary.ca

For more details on English language requirements and exempt countries, visit: ucalgary.ca/pubs/calendar/current/a-11

---

NURSING PROGRAM REQUIREMENTS

One of the following:

- TOEFL score of 92 (with a minimum of 23 in each sub-score)
- IELTS score of 7.0 (with no bands below a 7.0)

EDUCATION PROGRAM REQUIREMENTS

One of the following:

- TOEFL score of 108 (with a minimum of 27 in each sub-score)
- IELTS score of 8.0 (with no bands below a 7.0)
