

International viewbook

for fall 2023 applicants

Canada is located on the traditional territories of many different Indigenous peoples. UCalgary recognizes the traditional territories that it is situated on and acknowledges the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to the Métis Nation of Alberta, Region 3.

Learn about our Indigenous Strategy, ii' taa'poh'to'p, at: ucalgary.ca/indigenous

Watch Dr. Reg Crowshoe, Traditional Knowledge Keeper in Residence at UCalgary, share why territorial acknowledgements are important.

Start something.

Ready to join Canada's most entrepreneurial university?

Experience a premier education at one of Canada's top five research universities. Whichever of our 250+ program combinations you choose, we'll help you turn your next big idea into a reality.

Access many resources designed to spark innovation, including creative labs to develop your ideas, programs to help launch start-ups and mentorship from many of Calgary's great local entrepreneurs.

If you're ready to find your voice, take the spotlight and shape the future, this is the place to make it happen.

A large photograph of a young woman with long brown hair, smiling broadly. She is wearing a white t-shirt and is positioned in a modern, multi-story building with a glass and steel structure.

Meet Gillian one of our student innovators

Join **innovative projects**, such as the UCalgary solar car (below).

Use **creative spaces**, such as a virtual reality studio and a makerspace with 3-D printing.

Take **specialized programs**, like LaunchPad (left), designed to fuel your inner entrepreneur.

Gillian's chemical engineering courses **sparked an idea** for a better moisturizer acne solution.

As part of LaunchPad, a program that builds entrepreneurial skills, Gillian further **developed her idea**.

Gillian **launched** **bAlm**, a company that provides skin health education and products to help people be confident in their skin.

bAlm finished in first place in the 2021 Innovation Rodeo competition, receiving \$12,500.

Where will your UCalgary journey lead you?

Live your best university life

Your vibrant community

Home to 1.4 million people, Calgary is Canada's youngest and third-most diverse city. The city offers many festivals and concerts, and has twenty-five of the top restaurants in Canada. If you want to escape the city, the iconic Rocky Mountains are only a short drive away!

Your city of opportunity

Calgary is the innovation capital of Canada, a leader in many fields including aerospace, agribusiness, creative industries, energy, financial services, interactive digital media, and life sciences. Get your start in a city famous for fresh ideas and new beginnings.

Explore the Rocky Mountains, including breathtaking mountain views and world-famous destinations like Banff and Lake Louise.

Calgary is the birthplace of many alumni-owned companies including Silk Road Spice Merchant, Uber and Rvita Energy Tea (pictured).

YOUR NEW HOME

Canada is considered one of the safest countries in the world.

Calgary has 270+ festivals and a vibrant arts scene with 18 theatre groups and 13 museums and galleries.

Bike one of North America's longest urban pathway systems or float through Calgary on the Bow River.

Canada is one of the best places to live in the world. Our quality of life is ranked #1.

Full-time students on a valid study permit may work up to 20 hours/week off campus.

After graduation, students may be eligible to stay and work in Canada for up to three years.

Alberta is the only province with no provincial sales tax.

3rd most livable city in the world

6 major ski resorts within 3 hours

Canada's sunniest major city

Canada's highest concentration of high-tech workers

One of Canada's safest cities

Explore your university

Live and study in a park-like setting — a hub of social, cultural and academic life. Day or night, there's always something new to discover. With transit connecting the university to the rest of Calgary, it's easy to explore the city too. The university's light rail station (LRT) is just five short stops from downtown.

International Student Services located in MacEwan Student Centre

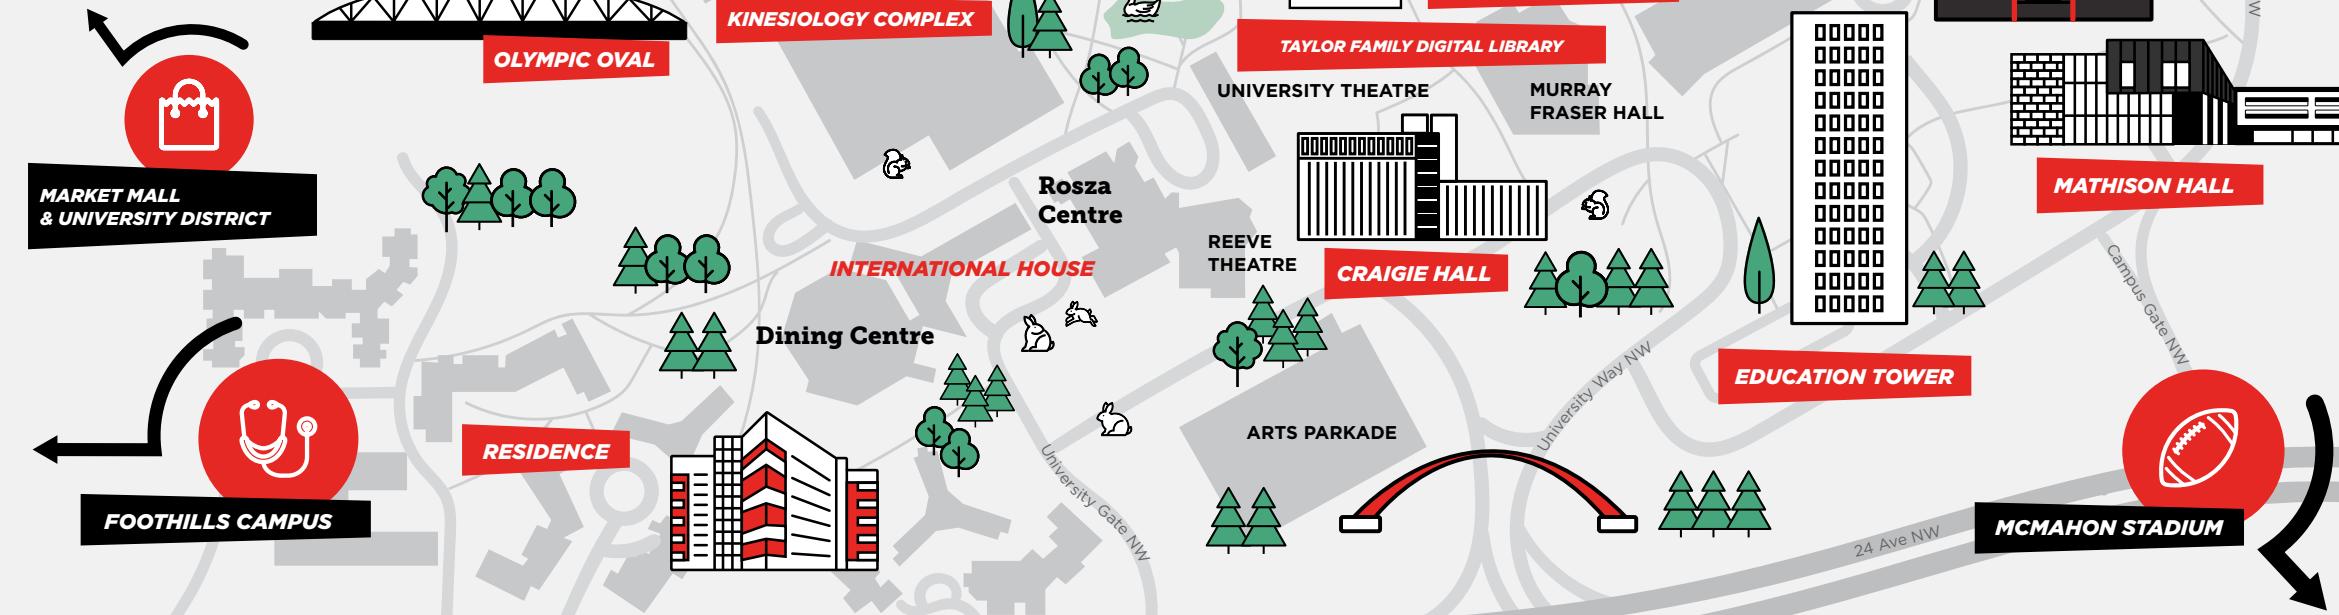

Heated walkways connect buildings in winter

Vitruvian multifaith space located near the Dining Centre

118 KM of light rail system track connect our university to the city

Market Mall and University District offer a range of shopping options minutes from campus

[Check out UCalgary on Google Street View](#)

Student experience

Exceptional facilities

1 Taylor Family Digital Library

— Home to a state-of-the-art visualization studio and Canada's largest video game collection

2 The Atrium

— A favourite study space for students, featuring lush vegetation and lots of natural light

3 Olympic Oval

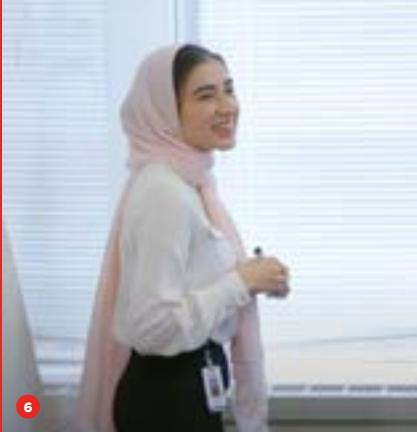

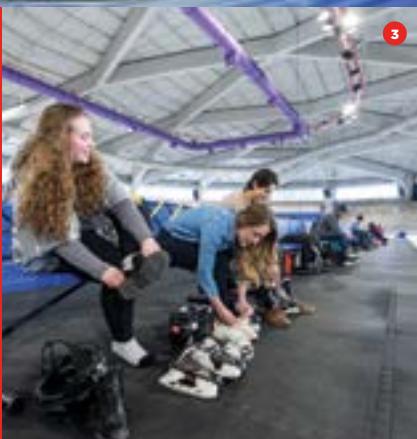

— Built for the Olympic Winter Games and featuring the world's fastest ice, a great place to learn to skate with friends or watch international speed skating

4 MacEwan Student Centre & MacEwan Hall

— The hub of social activity on campus, with 20+ food outlets and one of Calgary's premier concert venues

5 Lab Next Makerspace

— Design your own projects with 3D printers, a virtual reality simulator and more

Experiential learning

6 Co-ops, practicums and internships

— Gain valuable work experience with companies like Suncor (pictured), Amazon, Garmin and BMW

7 World-changing research

— Join one of Canada's top five research universities, where 1,600 undergraduate students have conducted real-world research in the last two years

Student support

Your academic success

The Student Success Centre has advising, learning support and writing support staff who can assist you in achieving your goals.

Your health & wellness

Student Wellness Services provides a variety of supports on campus, including medical, chiropractic, massage, mental health support, and wellness workshops.

Your career path

Our Career Services team can help you find a career you'll love. You can also prepare for your future with Co-Curricular Record and leadership training programs.

Your life in Canada

International Student Services (ISS) provides immigration advising prior to your arrival and, once you get here, programs to help you succeed academically, make friends and feel welcomed into the UCalgary community.

[Learn more about all our services](http://ucalgary.ca/future-students/undergraduate/services)

ucalgary.ca/future-students/undergraduate/services

We look forward to welcoming you into our friendly community. We're committed to creating an **equitable, diverse and inclusive** university for everyone. You can be yourself and thrive at UCalgary.

ucalgary.ca/equity-diversity-inclusion

Make yourself at home

Join 2,500 students from across Canada and more than 75 countries. Apply for residence by **May 1 and receive a guaranteed room for your first two years of study.**

Choose convenience

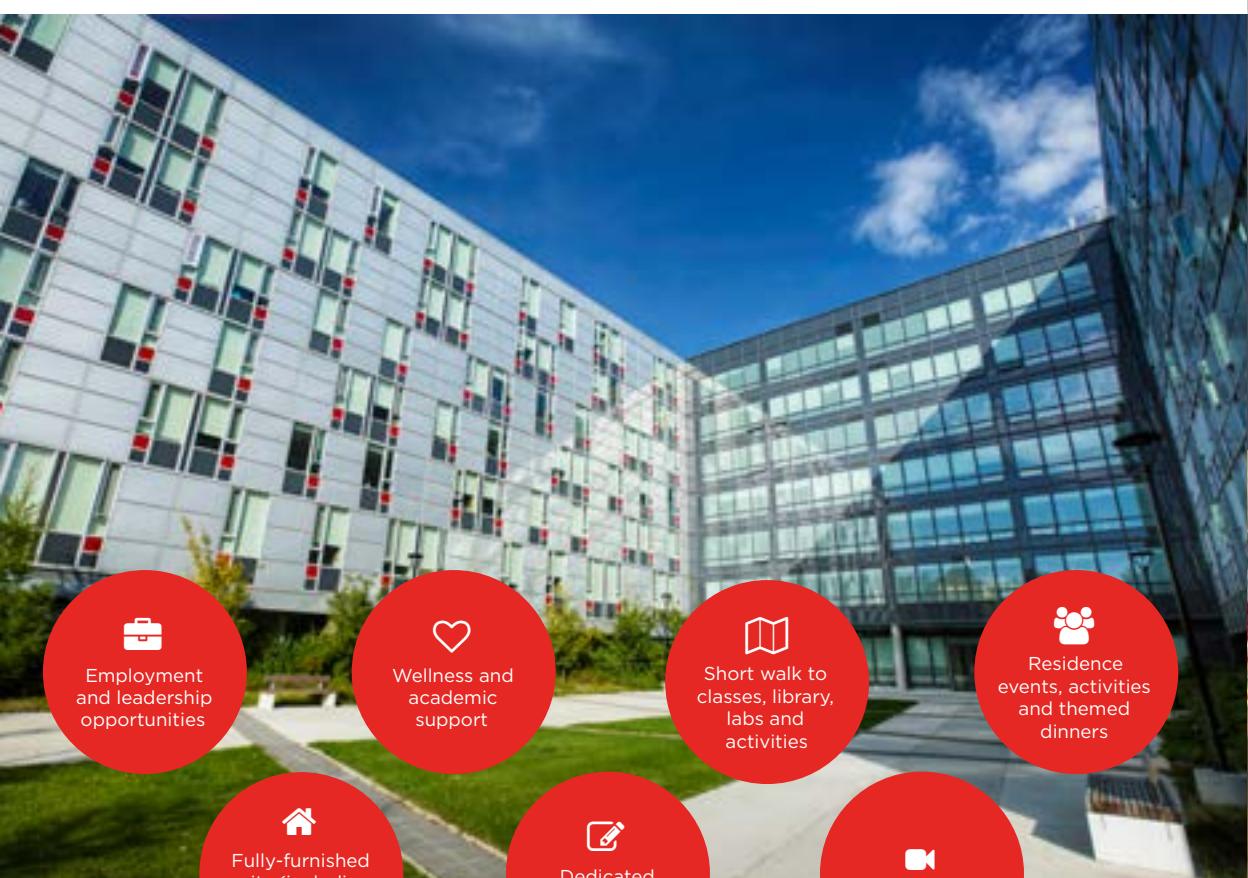

Live as close to your classes as possible. Easily access the library, labs, professors, study lounges, the Fitness Centre, study groups and more.

Immerse yourself

Living on campus makes it easy to meet new friends, get involved in student activities, and access leadership, academic and wellness resources.

Select your roommate

You can choose your roommate through a matching service or request to live with a friend. Gender-neutral wings are available.

Employment and leadership opportunities

Wellness and academic support

Short walk to classes, library, labs and activities

Residence events, activities and themed dinners

Fully-furnished units (including internet, utilities and more)

Dedicated academic communities

24/7 security

Move-in day at UCalgary is one of the most exciting days of the year, and our friendly student volunteers will be there to help you settle into your new home.

Traditional style room

Eat what you want when you want

The Landing offers the 5-day and 7-day unlimited-entry *All You Care to Eat* meal plans with multiple fresh food options available including gluten-free, vegan, vegetarian and halal.

Food labelling and one-on-one consultations are available with a staff dietitian and the executive chef.

The Landing, where a variety of fresh food options are available daily.

First-year residence room costs

| | |
|----------------------------------|-------------------|
| First-year shared accommodations | \$3,953 - \$7,508 |
|----------------------------------|-------------------|

| | |
|----------------------------------|-------------------|
| First-year single accommodations | \$6,752 - \$9,053 |
|----------------------------------|-------------------|

First-year meal plan costs

A 7-day or 5-day *All You Care to Eat* meal plan is mandatory for first-year residence students. Optional swipe plans are great for students who live off-campus.

| | |
|---------------------------------------|---------|
| 7-day <i>All You Care to Eat</i> plan | \$5,025 |
|---------------------------------------|---------|

| | |
|---|---------|
| 5-day <i>All You Care to Eat</i> plan (Mon. - Fri.) | \$4,043 |
|---|---------|

| | |
|------------------------|----------------|
| 250 entries swipe plan | \$2,870 (+GST) |
|------------------------|----------------|

| | |
|------------------------|----------------|
| 120 entries swipe plan | \$1,507 (+GST) |
|------------------------|----------------|

Note: Fees are per student for an eight-month period (Sept. - April) and based on the 2022-23 academic year.

SCHOOL OF ARCHITECTURE, PLANNING AND LANDSCAPE (SAPL)

We offer the first undergraduate degree in Western Canada that combines design thinking with a focus on innovative change in the physical and social infrastructure of cities. The unique curriculum integrates studio-based learning, real-world projects and courses that address climate change, sustainability, global citizenship, entrepreneurship and data science to prepare students to shape our future cities.

Bachelor of Design in City Innovation

Design in City Innovation

SAPL students tackle real-world problems by collaborating on industry-based, design studio projects.

As a Faculty of Arts student, Dominik worked at a Mexican museum over the summer.

FACULTY OF ARTS

Learn to critically address today's complex events and circumstances. Take advantage of co-op placements in many programs or apply to join the Arts and Science Honours Academy offering exclusive courses and a small cohort experience. Dance, drama, music and visual studies students will receive a world-class education in the School of Creative and Performing Arts.

SCHULICH SCHOOL OF ENGINEERING

Located in Canada's engineering capital, Schulich School of Engineering is where bold ideas are realized. Experiential learning, cutting-edge makerspaces and a celebrated paid internship program give our engineering graduates the skills to meet the challenges of the future.

Bachelor of Science in Engineering

- Biomedical Engineering ¹
- Chemical Engineering ¹
- Civil Engineering ¹
- Electrical Engineering ¹
- Geomatics Engineering ¹
- Mechanical Engineering ¹
- Software Engineering ¹
- Sustainable Systems Engineering ¹

★ Engineering students who successfully complete their first-year courses are guaranteed placement in the program of their choice.

Maker Multiplex (M2) gives students the opportunity to explore robotics and mechatronics, art and textiles, music and sound, and much more.

FACULTY OF KINESIOLOGY

Join the #1 sport science school in North America. Be active while learning leadership skills in many sports – and study scientific topics including anatomy and biomechanics. Thrive in practicums with organizations like the UCalgary Dinos or Olympic teams that train at our Olympic Oval.

Bachelor of Kinesiology

- Kinesiology ²
- Leadership and Coaching ²

- Motor and Psychosocial Aspects of Movement ²

Bachelor of Science

- Biomechanics ²
- Exercise and Health Physiology ²
- Kinesiology ²
- Motor and Psychosocial Aspects of Movement ²

CUMMING SCHOOL OF MEDICINE

Join a leading medical school with seven research institutes and more than 2,500 students. Whether you want to pursue a career in health research to advance knowledge in areas such as cancer and infectious disease, or increase health outcomes in marginalized communities, our diverse program offerings will provide you with a solid foundation at the start of your career.

Bachelor of Community Rehabilitation

Community Rehabilitation

Bachelor of Health Sciences (honours only)

- Bioinformatics
- Biomedical Sciences
- Health and Society

FACULTY OF NURSING

Our unique curriculum integrates theory courses with leading-edge nursing simulations and practicum placements that will prepare you for an exciting career. This student-focused nursing program can take you anywhere you want to go.

Bachelor of Nursing

Nursing

Bachelor of Health Sciences students conducting research that could lead to improvements in the management of pre-term labour.

FACULTY OF SCIENCE

Many of our programs feature field schools and summer research opportunities. Whether in a lab working on quantum information and computing, studying auroras on one of Canada's largest telescopes, or examining European green crabs at the Bamfield Marine Sciences Centre, you have endless opportunities to explore.

Bachelor of Science

- Actuarial Science ^{1, 2}

- Astrophysics ^{1, 2}

- Biochemistry ^{1, 2, 3}

- Biological Sciences ^{1, 2}
- Cellular, Molecular and Microbial Biology ^{1, 2, 3}

ucalgary.ca/recruiters

Check program requirements

Required courses

Each program has five courses required for admission. You can see which courses are required for each program in the tables on the following pages.

Your admission average

Your admission average is calculated using the five required courses.

If you are in high school, an early admission average will be calculated with your Grade 11 or junior-level required courses (or equivalent). If grade 12 or senior-level courses (or equivalent) are completed, they will be used to calculate the average. This includes predicted results for students in a year-long curriculum.

Submit your application

Apply early!

Applications open **Aug. 15, 2022**. Apply online and pay the \$145 application fee for students with international credentials (or \$125 for students with Canadian credentials).

When you apply, be sure to rank your program choices with your most desired program as your first choice. If you receive an offer to your first choice program, this is the only offer you will receive.

You can apply or change your program choice(s) until **March 1, 2023**.

Admission requirements

Ready to apply?

Once you've checked the requirements, you can apply online anytime from Aug. 15, 2022.

E Elementary S Secondary K12 K-12

English language requirements

There are three ways to meet our English language entrance requirements:

1. High school studies

Three years of study in an ELP exempt country, or at an accredited high school (Canadian, American, British or CIS school) where English is the primary language of instruction. Your final English course must also be equivalent to Alberta's senior level (Grade 12) English.

2. English language test scores

Present the minimum required score from an accepted test:

| | |
|-----------------------------|-------------|
| Duolingo - 115 | IELTS - 6.5 |
| TOEFL (internet-based) - 86 | |

Nursing & education require higher scores.

Learn more online, including what other tests are accepted.

ucalgary.ca/pubs/calendar/current/a-11

3. Academic Communication Certificate (ACC)

If you apply for undergraduate admission and complete the Academic Communication Certificate (ACC) by the end of summer term in the year of application, you could be considered for conditional admission to a degree program.

Learn more at: esl.ucalgary.ca/programs/academic-communication-certificate

| Program | Estimated competitive admission average | Required courses for admission | Notes |
|---|--|--|--|
| SCHULICH SCHOOL OF ENGINEERING | Mid 80s | <p>Regular admission route: Biology-based admission route:</p> <ul style="list-style-type: none"> • English • Mathematics • Calculus • Chemistry • Physics • Biology | Admission offers via the biology-based admission route are conditional on successful completion of the Schulich School of Engineering Bioengineering Summer Institute prior to the start of the engineering program. |
| FACULTY OF KINESIOLOGY | High 80s | <ul style="list-style-type: none"> • English • Mathematics • Chemistry • Biology • One additional course | If Calculus is not attempted, the final admission average will be a minimum of 5% higher. Calculus will be replaced with another approved course. |
| CUMMING SCHOOL OF MEDICINE Community Rehabilitation | Low 80s | <ul style="list-style-type: none"> • English • Biology • Three additional courses | Calculus is required and Physics is recommended for Biomechanics. |
| CUMMING SCHOOL OF MEDICINE Health Sciences | High 80s | <ul style="list-style-type: none"> • English • Mathematics (minimum 70%) • Chemistry • Biology • One additional course | There are additional supplementary requirements. Learn more: cumming.ucalgary.ca/bhsc/future-students |

| FACULTY OF SCIENCE | <p>Neuroscience: mid 90s</p> <p>Biology: high 80s</p> <p>Computer Science: mid 80s</p> <p>Honours: mid 90s</p> <p>All other programs: high 70s</p> | <ul style="list-style-type: none"> • English • Mathematics • Two science courses • One additional course | <p>Students are encouraged to take high school courses related to their intended major.</p> <p>Natural Science and Environmental Science majors must meet the admitting average of their concentration.</p> |

Important notes

- Two courses in the same subject area may not be presented to satisfy entrance requirements unless the courses are Mathematics and Calculus.
- Only one senior-level course of the same language may be used to satisfy admission requirements.
- A maximum of one Fine Arts course may be used for admission

View requirements for your specific country or curriculum. Use our **admission requirements tool** to see the courses you need for your program of choice.

ucalgary.ca/future-students/undergraduate/requirements

Tuition and fees

Estimated costs for your first year

An education from one of Canada's top-five research universities is a valuable investment.

UCalgary's tuition and fees compare favorably to other highly ranked universities.

| | |
|---|---|
|  International tuition |  or Domestic tuition |
| \$24,408 - \$32,307 | \$6,598 - \$8,646 |

| | |
|--|--|
|  General fees, books and supplies |  Residence and meal plan expenses |
| \$1,900 - \$2,400 | \$7,996 - \$14,078 |

Estimated costs are for an eight-month period (September to April) and are based on an expected first-year course load (10 courses) and a typical student's experience in residence. Fees are based on the 2022 - 2023 academic year. Tuition fees are reviewed regularly by the Board of Governors, in consultation with students. You can find all the most up-to-date tuition and fee amounts at: ucalgary.ca/pubs/calendar/current/p-1-1

Financial awards

\$20M+

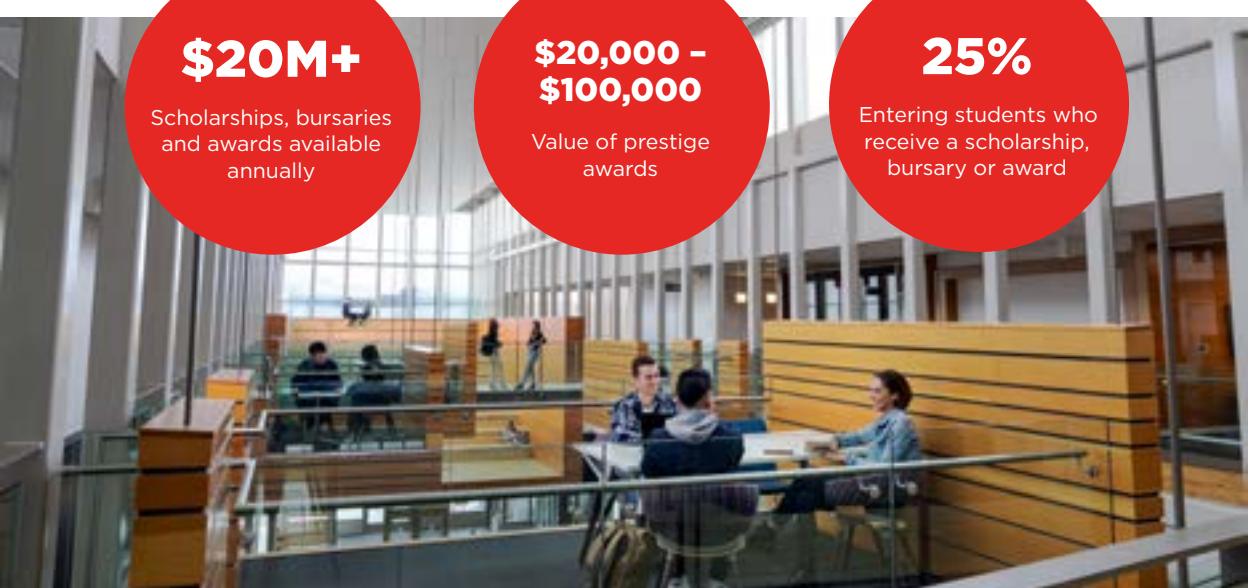

Scholarships, bursaries and awards available annually

\$20,000 - \$100,000

Value of prestige awards

25%

Entering students who receive a scholarship, bursary or award

Take a virtual campus tour

We offer weekly virtual campus tours. Our virtual tour is featured on our Future Students Facebook page. Explore our entire campus from the comfort of your home and instant chat with an advisor during the tour.
