- **Study permit** – You have or will require a study permit to attend the university.
- **Refugee** – You have received refugee status in Canada.
- **Work Permit** – You have or will have a valid work permit for Canada.
- **Other** – My status in Canada is not listed.

Programs available for application vary by term:
- Bachelor of Nursing - Degree Holder and Portage Community Routes are offered in Winter;
- Bachelor of Nursing - Transfer Route is offered in Fall and Winter;

Unsure about which term you should apply to? Ask Recruitment and Admissions.
Step 5). Enter all high school and post-secondary education history.

High School

List all high schools where you completed courses at the grade 10, 11 and 12 level.

Grade 10, 11 and 12 – Please ensure you list the final three years of your high school education. If you have attended multiple schools, enter each school separately.
Enter correct curriculum(s) – Please make sure you enter the correct curriculum and highest grade attained/or currently completing for each school. For students studying in Canada, please skip unless you completed or are completing the IB diploma.

List all high schools where you completed courses at the grade 10, 11 and 12 level.
**Highest Level achieved in high school** – For your application, highest level achieved means completed or currently taking.

**Post-Secondary education** – Students coming directly from high school can complete this screen by selecting “I have not yet attended a post-secondary institution” and selecting “Save & Continue” (please move to Step 7). Transfer students, Dual-credit students, and students completing high school upgrading at post-secondary institutions are required to enter all details of their post-secondary education.
Post-Secondary academic history – Please provide a full and accurate academic history. Failure to do so may have negative implications on your academic file, as per section A.4 of the Academic Calendar.

For students who have attended institutions as a visiting or exchange student, these institutions are also required. Be as accurate as possible when selecting your academic credential.
If an Academic Credential is selected, the graduation date will become available – only select a credential if you are in the final year of your program (your program will be completed by the time you start at UCalgary).
Step 6). **First Choice** – If you receive an offer of admission to your first-choice program, this is the only offer of admission you'll receive. We recommend you rank your application choices with your most desired program as your first choice.

Before moving ahead, please make sure to click the Admission Requirements link (see next page).
Admission Requirements

Make sure to review your admission requirements before submitting. You can select different education systems depending on your school and review the admission requirements for every undergraduate program the University of Calgary offers.

The drop down tabs beneath offer further information about the admission process.

After viewing the admission requirements, finalize your selection by marking the tick box, clicking “Add This Program,” and then selecting “Save and Continue” at the bottom of the page.

UCalgary offers many combined degrees which allow students to complete two degrees in five years. If you wish to apply for a combined degree, you can add it to your application here.
Step 7). **Second Choice** - Select another UCalgary program that you are interested in. We recommend choosing a program with a lower admission average for your second choice. If you receive an offer of admission to your second-choice program, you will still be considered for your first-choice program provided there is still space available in the program at the time you meet the requirements.
**Step 8: Additional Information – ELP**

**English Language Proficiency** (ELP) is required for admission to all programs. Until you have met the English Language Proficiency requirement, your application will not be evaluated.

Students who have attended high school for three years or post-secondary for two years in an approved English-speaking country automatically meet the English Language Proficiency requirement.
