The University of Calgary, located in the heart of Southern Alberta, both acknowledges and pays tribute to the traditional territories of the peoples of Treaty 7, which include the Blackfoot Confederacy (comprised of the Siksika, the Piikani, and the Kainai First Nations), the Tsuut’ina First Nation, and the Stoney Nakoda (including Chiniki, Bearspaw, and Goodstoney First Nations). The City of Calgary is also home to the Métis Nation of Alberta Region 3.

Meet Ranique
An inspired social entrepreneur

When Ranique enrolled in an Entrepreneurship and Innovation course as an elective, the third-year math student didn’t realize it would change her life.

Inspired to compete in the RBC Fast Pitch student competition at the Haskayne School of Business, she created Hidden Gemz, an app designed to transform the way Gen Z explores and interacts with the world around them.

Ranique earned a spot as a finalist in the Launchpad Liftoff! Pitch Competition and Innovate Calgary’s BIPOC Women in Tech Pitch Competition. As her app attracts attention, so does she—for her entrepreneurial leadership.

A self-confessed social entrepreneur, Ranique says her experiential learning journey has been one of the best decisions of her academic career.

Our scholars are committed to making a positive impact in our community. As one of Canada’s top research universities, UCalgary provides more opportunities for students to participate in groundbreaking research, whether it’s delving into the mysteries of the quantum world or addressing food insecurity.

Over half a billion dollars in research revenue has been channelled into developing impactful, real-world solutions. Thanks to our rich innovation ecosystem and research partners, we’ve been recognized as the number one startup creator among research institutions for the second year in a row.

Get ready for research
Confidently participate in research within your undergraduate studies! With the Ready for Research digital badge, you will explore meaningful ways to share your findings and extend your learning through critical reflection.

Learn more about this micro-credential
taylorinstitute.ucalgary.ca/badges/ready-for-research

In a partnership with MIT, our Programmable Reality Lab developed shape-shifting robots that could transform deep space exploration.

UCalgary researchers set a distance record for quantum teleportation of a photon, making it travel 6 km.

UCalgary is the only Canadian university selected by the NFL to support their concussion research.

Discover our student research opportunitiesucalgary.ca/future-students/undergraduate/research

Ready to join Canada’s most entrepreneurial university?
Experience a premier education at one of Canada’s top research universities. Whichever of our 250+ program combinations you choose, we’ll help you turn your next big idea into a reality. Access a multitude of resources designed to ignite innovation, including state-of-the-art creative labs, start-up launch programs, and invaluable mentorship from local entrepreneurs.

Step into the spotlight, shape the future, and find your voice in this transformative environment that empowers you to make it happen.
Live your best university life

Your vibrant community
Discover Calgary, one of Canada’s most youthful and diverse cities. Here, there’s an endless list of things to do—explore world-class attractions like the National Music Centre, Calgary Tower and Central Library, or find an adrenaline rush at any of our thrilling hockey, football or soccer games.

Your city of opportunity
Calgary is the innovation capital of Canada, a leader in many fields including aerospace, agribusiness, creative industries, energy, financial services, interactive digital media, and life sciences. Get your start in a city famous for fresh ideas and new beginnings.

Looking for your next big opportunity?
This is the place to find it.

Most patents per capita in Canada
Most head offices per capita in Canada
Highest average personal income in Canada and no provincial sales tax
Canada’s highest concentration of high-tech workers

7th most livable city in the world
6 major ski resorts within 3 hours
Canada’s sunniest major city
10,000+ hectares of green spaces
17 of Canada’s top 100 restaurants

Immerse yourself in Calgary’s vibrant downtown area, highlighted by the award-winning Central Library.

Experience western heritage, a world-renowned rodeo, and diverse entertainment at the Calgary Stampede, one of the world’s largest outdoor rodeos and festivals.

Discover renowned destinations like Banff and Lake Louise, or visit one of Alberta’s many world-class ski resorts.

Explore the Rocky Mountains, including breathtaking mountain views and world-famous destinations like Banff and Lake Louise.

Bike one of North America’s longest urban pathway systems or float through Calgary on the Bow River.

Calgary has 270+ festivals and a vibrant arts scene with 18 theatre groups and 13 museums and galleries.

10,000+ hectares of green spaces
7th most livable city in the world
Explore your university

Live and study in a park-like setting—a hub of social, cultural and academic life. Day or night, there’s always something new to discover. With transit connecting the university to the rest of Calgary, it’s easy to explore the city too. The university’s light rail transit (LRT) station is just minutes away from downtown Calgary.
Lab Next Makerspace | Features technology to design your own projects, such as 3D printers and scanners, milling machines and a virtual reality simulator.

Olympic Oval | Built for the Olympic Winter Games and featuring the world’s fastest ice, a great place to skate with friends or watch international speed skating.

Hunter Student Commons | A student-focused space designed to foster collaboration, creativity and innovation. In addition to services for current students, the cutting-edge facility is also home to the Prospective Student Hub.

Hunter Hub for Entrepreneurial Thinking | A space to help students develop entrepreneurial thinking and to connect start-ups with investors and industry leaders.

MacEwan Student Centre & MacEwan Hall | The social hub of campus, with 20+ food outlets and one of Calgary’s premier concert venues.

The Atrium | A favourite study space for students, featuring lush vegetation and lots of natural light.

Mathison Hall | One of the most advanced business school facilities in Canada, this state-of-the-art facility boasts modern classrooms and collaborative workspaces.

Exceptional facilities

Student activities

Celebrate the end of the year with free food, carnival games and other activities at the UCalgaryStrong Festival.

Join one of 300+ student clubs.

Play on one of our 50+ intramural sports teams.

Get all the adventure gear you need at the Outdoor Centre, the largest centre of its kind in North America.

Attend dance, drama and music events on campus. Free tickets are often available through our Claim Your Seat program.

Cheer on your Dinos at the many games held throughout the year.

Find supportive community in friendly spaces like the Women’s Resource Centre or Faith and Spirituality Centre.

Make yourself at home

Join 3,000 students from across Canada and more than 75 countries.

Apply for residence starting November 1. For the best chance to live on campus, apply prior to February 10.

Choose convenience
Have everything you need within reach. You’ll only be minutes away from your classes, study spots, student supports and services, the Fitness Centre and more.

Immerse yourself
Living on campus makes it easy to meet new friends, get involved in student activities, and access leadership, academic and wellness resources.

Select your roommate
You can choose your roommate through a matching service or request to live with a friend.

Eat what you want when you want
The Landing offers the 5-day and 7-day unlimited-entry All You Care to Eat meal plans with self-serve and cooked-to-order options available, including gluten-free, vegan, vegetarian and halal.

Food labelling and one-on-one consultations are available with a staff dietitian and the executive chef.

Residence Rates
Residence offers fourteen different room types and rates for upper years. This will allow you to find the accommodation that fits you and your budget. Residence rates range from $6,441 to $9,738 for the academic term (September–April).

Meal plan costs
The Landing offers the 5-day and 7-day unlimited-entry All You Care to Eat meal plans with self-serve and cooked-to-order options available, including gluten-free, vegan, vegetarian and halal.

Food labelling and one-on-one consultations are available with a staff dietitian and the executive chef.

Explore your world

Earn credits toward your degree in another country! With 200+ partners and programs worldwide, our Global Learning program offers a diverse range of opportunities to explore new ideas through immersive travel and study. A minimum of 10 courses completed are required to participate.

Transformative learning
Through the History of Ireland program, Alex embarked on a journey into the rich cultural tapestry of Ireland. His travels ignited a curiosity and appreciation for diverse cultures and histories, and he left with a broader worldview that would shape his future endeavours.

But wait! Can I afford it?
As part of the Global Learning program, you pay your normal UCalgary tuition and avoid the much higher fees you would have to pay as an international student.

Your academic success
The Student Success Centre is dedicated to helping you realize your academic goals. They offer comprehensive learning and writing support, and tools to hone your study skills, collaborating with you to unlock your full potential.

Your health & wellness
We want all students to be healthy, feel good, and thrive. At Student Wellness Services, you can access mental wellness supports and workshops, as well as medical, chiropractic and massage services.

Your career path
Your education journey includes finding an engaging and fulfilling career. The Centre for Career and Personal Development will help you reach your goals and point you to resources like experiential learning and leadership training programs you need when planning your next steps.

**ENHANCED ACADEMICS**

**Go beyond the classroom**

Your education is so much more than a degree. Choose a university that provides experience in your field and meaningful research opportunities.

Over a quarter of UCalgary students seize the opportunity to enhance their studies and future careers through co-ops, practicums and internships with leading companies such as Amazon, Garmin, Suncor and BMW. Our faculties provide dynamic and transformative education while bridging the gap between academic studies and the professional world. Co-op students normally begin their work terms during the third year of studies, alternating periods of work and study and ending on an academic semester.

What are co-ops, internships and practicums?

**UCalgary transfer admission**

Studying at UCalgary will give you access to expert researchers and faculty members, state-of-the-art laboratories and classroom technology, and exceptional teaching and learning resources. The following steps will help you understand how you will be assessed for admission as a transfer applicant.

1. **Transfer student**
   - Once you have attended a post-secondary institution, you will follow transfer student timelines (see page 30).
   - Students are evaluated as a transfer student when they have completed 12 units (4 courses) or more of academic post-secondary course work.

2. **Required courses**
   - Some programs require applicants to complete, or be in the process of completing, specific course requirements at the high school or post-secondary level.
   - You can see which courses are required for each program in the tables on the following pages (see pages 24–27).

3. **Your admission GPA**
   - Transfer admission GPA is calculated on the most recent academic coursework to a maximum of 30 units, unless otherwise specified in the following pages. All courses attempted within a term will be included except where the number of units taken within a term results in the overall number of units exceeding 30. Should this occur, the highest grades from the oldest term being considered will be used to calculate the GPA.
   - Grades for high school courses will not be used in the transfer admission GPA.

Applications open October 1, 2023. Apply online and pay the $125 application fee for students with Canadian credentials, or $145 for students with International credentials.

When you apply, be sure to rank your program choices with your most desired program as your first choice. If you receive an offer to your first choice program, this is the only offer you will receive.

You can apply or change your program choice(s) until March 1, 2024.

FOOTNOTES

1) Co-operative education, practicum and/or internship option available
2) Honours program available
3) Program offered as partnerships program
4) Must meet entrance requirements for combined degree program
5) Combined education program requires that students complete two degrees concurrently
6) Summer intake only
SCHULICH SCHOOL OF ENGINEERING
Located in Canada’s engineering capital, Schulich School of Engineering is where bold ideas are realized. Experiential learning, cutting-edge makerspaces and a celebrated paid internship program give our engineering graduates the skills to meet the challenges of the future.
Bachelor of Science in Engineering
Biomedical Engineering 1
Chemical Engineering 1
Civil Engineering 1
Electrical Engineering 1
Energy Engineering 1, 2
Engineering Physics 1
Geomatics Engineering 1
Mechanical Engineering 1
Software Engineering 1
Sustainable Systems Engineering 1

FACULTY OF KINESIOLOGY
Become a part of the premier sport science school in North America, where you can actively participate in sports while honing your leadership skills. Delve into scientific subjects such as anatomy and biomechanics, and thrive in practicums with prestigious organizations like the UCalgary Dinos or Olympic teams training at the world-class Olympic Oval.
Bachelor of Kinesiology
Kinesiology 1, 2
Leadership and Coaching 1, 2
Motor and Psychosocial Aspects of Movement 1, 2
Bachelor of Science
Biomechanics 1, 2
Exercise and Health Physiology 1, 2
Kinesiology 1, 2
Motor and Psychosocial Aspects of Movement 1, 2

CUMMING SCHOOL OF MEDICINE
Enroll in a distinguished medical school boasting seven research institutes and a student body of over 2,500. Whether your career aspirations lie in health research, advancing knowledge in areas like cancer and infectious diseases, or improving health outcomes in marginalized communities, our diverse program offerings provide a solid foundation for your future professional journey.
Bachelor of Community Rehabilitation
Community Rehabilitation 1
Bachelor of Health Sciences
(honours only)
Biostatistics
Biomedical Sciences
Health and Society

FACULTY OF SCIENCE
Immerse yourself in extraordinary field schools and summer research opportunities across our programs. Whether you’re working on quantum information and computing, studying auroras on one of Canada’s largest telescopes, or examining European green crabs at the Bamfield Marine Sciences Centre, you have endless opportunities to explore.
Bachelor of Science
Actuarial Science 1, 2
Astronomy 1, 2
Astrophysics 1, 2
Biological Sciences 1, 2
Cellular, Molecular and Microbial Biology 1, 2
Chemistry 1, 2
Computer Science 1, 2
Data Science 1
Environmental Science 1
Geology 1, 2
Geophysics 1, 2
Geology 1, 2
Mathematics 1, 2
Natural Sciences 1, 2
Neuroscience (honours only)

- Chemistry 30  
- Physics 30  
- Diploma from an approved program at an institution with a transfer program agreement (or equivalent) with a minimum cumulative GPA of 3.10. For graduates of future students’ graduating requirements, a list of approved programs is available online at ucalgary.ca/future-students/transfer-agreements/program-transfer-agreements.  
- Students who completed all or parts of their engineering technology diploma more than eight years prior to the start of their first term at the University of Calgary will be required to demonstrate that their technical knowledge remains current.  
- 45 units of the diploma must be completed by the end of full term. |
| FACULTY OF SCIENCE | 2.3-3.6 | Most majors |  
- English Language Arts 30-1  
- Mathematics 30-1  
- Two courses from the following: Biology 30, Chemistry 30, Physics 30, Mathematics 31 or CTS Computing Science 30 (level 5 credits)  
- 30 units of post-secondary coursework  
- 30 units completed by the end of the fall term  
- Students interested in these programs who have not completed 30 units of the diploma must complete 30 units of post-secondary coursework including the following:  
  - Biochemistry 341 or 342  
  - Biology 241, 243, 251 and 253  
  - Chemistry 211 and one of 201 or 211 and one of 203 or 213  
  - Mathematics 211 or 213 and one of Mathematics 249 or 245 or 275  
  - Physics 211 or 221 and 223  
  - Psychology 200, 300 and 301  
- 45 units completed by the end of the fall term  
- A 3.0 minimum required must be completed with grades of “C-” or better. |
| FACULTY OF SCIENCE | 3.6-3.9 | Neuroscience |  
- English Language Arts 30-1  
- Mathematics 30-1  
- Two courses from the following: Biology 30, Chemistry 30, Physics 30, Mathematics 31 or CTS Computing Science 30 (level 5 credits)  
- 60 units of post-secondary coursework including the following:  
  - Biochemistry 341 or 342  
  - Biology 241, 243, 251 and 253  
  - Chemistry 211 and one of 201 or 211 and one of 203 or 213  
  - Mathematics 211 or 213 and one of Mathematics 249 or 245 or 275  
  - Physics 211 or 221 and 223  
  - Psychology 200, 300 and 301  
- 45 units completed by the end of the fall term  
- A 3.0 minimum required must be completed with grades of “C-” or better. |
| FACULTY OF SOCIAL WORK | 2.3 GPA + program-specific questions. | Alberta social work diploma from a post-secondary institution with a transfer agreement with the Faculty of Social Work. See ucalgary.ca/future-students/transfer-agreements/program-transfer-agreements for a list of approved programs.  
- Minimum of 24 units of university non-social work courses  
- 45 units completed by the end of the fall term. |  
- Social Work 201 (or equivalent) plus 57 units of non-Social Work course work  
- 45 units completed by the end of the fall term. |
| University Transfer – including current University of Calgary students, non- Alberta diploma holders and non-Alberta social work diploma holders | 2.3 GPA + program-specific questions. | English Language Arts 30-1  
- Alberta social work diploma from a post-secondary institution with a transfer agreement with the Faculty of Social Work. See ucalgary.ca/future-students/transfer-agreements/program-transfer-agreements for a list of approved programs.  
- Minimum of 24 units of university non-social work courses  
- 45 units completed by the end of the fall term. |  
- Social Work 201 (or equivalent) plus 57 units of non-Social Work course work  
- 45 units completed by the end of the fall term. |
| SCHULICH SCHOOL OF ENGINEERING | 2.3 GPA + program-specific questions. | English Language Arts 30-1  
- Alberta social work diploma from a post-secondary institution with a transfer agreement with the Faculty of Social Work. See ucalgary.ca/future-students/transfer-agreements/program-transfer-agreements for a list of approved programs.  
- Minimum of 24 units of university non-social work courses  
- 45 units completed by the end of the fall term. |  
- Social Work 201 (or equivalent) plus 57 units of non-Social Work course work  
- 45 units completed by the end of the fall term. |

Additional admission information

Transfer Credit

Transfer credits allow students to use previous studies from another post-secondary institution toward their UCalgary degree program. Students can receive transfer credit for up to 20 courses (60 units).

When you transfer an undergraduate program at UCalgary, you will automatically receive transfer credit as indicated in our Transfer Credit Search Tool. In addition, courses taken at an accredited university in Canada or the United States that are not included in the Transfer Credit Search Tool will automatically be granted generic credit. Being granted transfer credit does not guarantee the credit will be applied toward your degree program.

If a course is not available in the Transfer Credit Search Tool and is required for admission, you will be required to upload course outlines as part of the admission process.

Course outlines should include the following information:
- Institution, faculty, department or school name and contact information
- Detailed list of topics covered
- List of textbooks used
- Grading/assessment practices
- Number of weeks of attendance (excluding examination period)
- Number of lecture, laboratory and tutorial hours per week

Get additional information about transfer credits at UCalgary and access the search tool

Indigenous Admission Pathways

There are dedicated admission pathways for Indigenous learners. To be considered for all pathways, self-identify as Indigenous when you complete your initial application. Our Indigenous Student Recruitment Team is here to support.

You can find lists of great additional information for Indigenous students on our website.

UCalgary.ca/future-students/undergraduate/indigenous

Equitable and Inclusive Admission Process

We welcome and support applications from students from communities that experience social barriers, marginalization and systemic discrimination. This process acknowledges that students have diverse identities, backgrounds, and experiences, and considers factors that may have impacted a student’s access.

To be eligible, you must meet these criteria:

- ELA 30-1
- 2 30-level required courses
- Personal statement
- Canadian citizenship, permanent resident or refugee status

Learn more about the Equitable and Inclusive Admission Process.

English language requirements

There are three ways to meet our English language entrance requirements:

1. Previous studies

Three years of high school study or two years of formal, full-time study in English at an accredited or recognized post-secondary institution in Canada or approved ELI-exempt country.

2. English language test scores

Present the minimum required score from an accepted test:

TOEFL (internet-based) — 90
TOEFL (paper-based) — 56
IELTS (academic) — 6.5
Duolingo — 120

Higher scores are accepted.

Learn more online, including what other tests are accepted.

ucalgary.ca/blogs/us/en/services/entrance-12

3. Academic Communication Certificate (ACC)

The ACC is the UCalgary English pathway program. If you are registered in the ACC you may be eligible for conditional admission to a degree program. The ACC will take from 4 to 11 months to complete, depending on your English level and is eligible for 6 units of transfer credit.

Estimated costs for one year of study

Tuition & fees

An education from one of Canada’s top research universities is a valuable investment. UCalgary’s tuition and fees compare favourably to other highly ranked universities.

Domestic tuition

Canadian citizens, permanent resident or refugee

$6,961 – $9,771

International tuition

$26,849 – $38,871

General fees, books and supplies

$1,900 – $2,400

Residence and meal plan expenses

$10,767 – $15,115

Estimated costs are for an eight-month period (September to April) and are based on an expected one year course load (10 courses) and a typical student’s experience in residence. Fees are based on the 2023-24 academic year. Tuition fees are reviewed regularly by the Board of Governors, in consultation with students. You can find all the most up-to-date tuition and fee amounts at: ucalgary.ca/pubs/calendar/current/p-1-1

Need help planning your expenses? Try our online cost estimator tool.

Payment plan option

We want to make it as easy as possible for our students to pay their tuition and fees. That’s why UCalgary students have the option to self-enrol in a payment plan that allows them to pay in instalments over the term rather than all at once.

**Connect**

- **Orientation** is where you’ll meet other students and learn the basics of how to succeed at UCalgary.

**Ways to explore UCalgary**

- **Attend an in-person or virtual event**
  - Join us online or in person for events such as Open House, Faculty Information Nights and webinars about admission for transfer applicants and the transfer credit process.
  - All our webinars are recorded, so you can watch them anytime on our [Choose UCalgary YouTube channel](https://www.youtube.com/chooseucalgary).

- **Take an in-person or virtual campus tour**
  - We have daily in-person and weekly virtual tours – including a tour that highlights Indigenous culture and community on campus. Tours include the option to speak with an advisor about programs and admission requirements.
  - Our virtual tour is found on our [Future Students Facebook page](https://www.facebook.com/ucalgaryfuturestudents) and includes live chat with an advisor.

**Your dedicated Transfer Recruiter**

We’re here to help you every step of the way. Here are some ways we can support you:

- Learn more about UCalgary, student supports and resources
- Receive personalized support with the application process and transfer admission requirements

**Book an appointment with our Transfer Recruiter today!**

**Visit our transfer student webpage at:**
