Hi, I’m Rex! Although I spend most of my time cheering on our Dinos athletic teams, the Student Recruitment Team has asked me to provide helpful tips on how to make the most of your 2022 Open House experience.

1. Make sure you check-in early! I recommend visiting the Red and Gold Gyms first to avoid the crowds.

2. I encourage you to visit the School of Architecture, Planning, and Landscape’s booth to learn about one of UCalgary’s newest degrees “Design in City Innovation.”

3. Make sure you catch an Admission 101 discovery session. This must-see presentation will give you all the information you’ll need to apply! Bonus sessions start for early birds at 9 a.m. and an additional bonus session is being offered at 2:15 p.m.

4. Don’t forget to take a campus tour! Ask your tour guide about their favourite study spot on campus.

5. Stop by the Ask a Student booth to connect with our current students to get all your questions answered.

6. How could you not want to join me for your next four years? Swing by the Admission Hub in the Red Gym and get some help to submit your application on the spot!
Ready to apply?

Visit the Admissions Hub in the Red Gym.

We’ll answer any questions you have and help you apply for admission while you’re on campus.

The Bookstore

Our Campus Bookstore is offering an Open House exclusive discount of 20% on all UCalgary and Dinos branded merchandise. Head on over to the lower level of MacEwan Student Centre to pick up a Dinos shirt or a UCalgary Mom sweater today!
