

GOAL #3: ENHANCE INTERNATIONAL PARTNERSHIPS *Research*

The research enterprise at the University of Calgary is international by its very nature, as is the case at other research universities.

The International Strategy leverages and enhances the web of collaborations among our researchers to increase our international presence and impact. It must also help shape our networks of collaboration to reinforce the priorities of the Academic and Research Plans.

Missions, delegations and events

2018 Aga Khan delegation

The university plays host to many international visitors, university delegations, government officials and dignitaries each year. UCI helps faculty and staff develop campus itineraries and organize meetings, seminars and public presentations, advising on all related cross-cultural matters.

*** IN 2018, UCI ORGANIZED 67 VISITING DELEGATIONS, 24 EVENTS & 15 MISSIONS.**

Country days

GERMANY DAY 2018

Throughout the academic year, University of Calgary International (UCI) showcases the vibrant cultures of its Countries of Emphasis and Countries of Interest through hosting country day events. These events engage both the UCalgary community, as well as members of the external community who are interested in these cultural celebrations.

In fall 2018, UCI hosted its annual Germany Day event. The event focused on the 50th anniversary of the 1968 student protests, and featured keynote speaker Karl Dietrich Wolff, a famous German activist who was involved in the protests. *Visit ucalgary.ca/uci for more information on country day events.*
