

INTERNATIONAL RESEARCHER PARTNERSHIP WORKSHOP GRANT

Deadline: 4:30 PM, March 2, 2021

Eligibility: Open to faculty members at various stages of their career, to develop and deliver a research workshop with an international research partner university. The collaboration is intended both to initiate or advance new projects and to identify and develop funding opportunities to support the work. For this grant application, identification of matching funds is encouraged, but not required.

Value: \$10,000 per award to facilitate delivery of a research workshop with a group of colleagues from one international partner institution.

Please submit completed application to: uci@ucalgary.ca

[Subject line: International Research Partnership Workshop Grant](#)

Application is available at www.ucalgary.ca/uci/

Decisions are expected in the first week of March 2021.

INTERNATIONAL RESEARCH PARTNERSHIP WORKSHOP GRANT

PURPOSE

Through funding provided by the Office of the Vice-Provost and Associate Vice-President Research (International) these awards allow researchers, ideally at different stages in their careers, the opportunity to meet and explore, identify, and implement joint research interests and projects. The International Research Partnership Workshop supports Goal 3 of the university's Global Engagement Plan – “Enhance Global Partnerships”.

AWARDS

\$10,000 per project is available to develop and implement an International Researcher Partnership Workshop, furthering the university's goals for research and global engagement.

The award is tenable from **April 1, 2021 to March 31, 2023**.

CRITERIA FOR THE AWARD

Criteria:

- For the **selection of the partner university** there must be an existing agreement, MOU AND/OR an established and sustainable research relationship (Joint publications, formal supervision of PhD students, visiting scholars, etc). Applicants can use the search tool to find University of Calgary institutional partnerships here: [Partnership Database](#).
- **Participants must include:** one workshop lead researcher and at least two other continuing (tenured or tenure-stream) faculty member participants at each institution. The researchers should have an identified set of shared interests. Graduate student participation is optional.
- Project **must be aligned** with the University of Calgary [academic](#) and/or [research](#) plans, and other institutional strategies and plans, such as the [Global Engagement Plan](#), Indigenous strategy ([ii' taa'poh'to'p](#)), research themes and faculty plans.
- Project must have a **sustainable plan** to manage the research activities if the pandemic continues to hinder travel for a longer period.
- Approval of the relevant faculty Dean(s) at both institutions.

Eligible Expenses:

- Transportation;
- Accommodation; and
- Subsistence for faculty (and optionally, graduate students) from University of Calgary to the partner institution and/or travel costs from the partner institution to University of Calgary, along with hosting costs.
- The grant will not cover equipment, graduate student assistantships, travel to academic conferences or associated costs.

I. Application:

APPLICANT INFORMATION	
FAMILY NAME	GIVEN NAME AND INITIAL(S)
FACULTY AND DEPARTMENT	
E-MAIL:	TELEPHONE:
RANK/POSITION:	
WORKSHOP TITLE:	
PARTNER INSTITUTION NAME	
EXISTING AGREEMENT IN PLACE (Y/N)
