Using Elevate to Book an Appointment with New Student Registration Assistance

What is Elevate?

New Student Registration Assistance (NSRA) within the Student Success Centre (SSC) uses the Elevate portal to allow students to book appointments. As a student, you can also use Elevate to book appointments for other services within the SSC, or other offices on campus. The campus offices that use Elevate are listed in the Dashboard menu.

Before accessing Elevate for the first time, setup your UCalgary IT account with Multifactor Authentication (MFA). You will need the MFA code each time you login to Elevate.
