Dear Rachel,

Want to hear first-hand experiences from your fellow international students? Tune in to our series, International Student Stories. In each session, we interview an upper-year student about their experiences adapting to life at UCalgary and/or in Calgary and Canada through a brief interview with an ISS team member.

In our next International Student Stories event, on Thursday, Feb. 25 from 2 to 3 p.m. MST, we chat with Pedro D'avila about managing time and finances as an international student. Register to attend »

Missed a prior event? Don't worry, you can visit our page to hear past interviews.

Have a great week!
