Dear Student,

Want to hear first-hand experiences from your fellow international students? Check out International Student Stories. Each month, we welcome an upper-year student to share their experiences adapting to life at UCalgary and/or in Calgary and Canada through a brief interview with an ISS team member. You'll hear funny and heartwarming stories about things like the shock of their first day on campus, their advice for their fellow students, how to make your time at UCalgary memorable and more.

Check out the October edition, "Navigating my transition to UCalgary" with current students Caleb and Zareena.

Have a great week!
