

Isolation Information for Fully Vaccinated Students

When You Must Isolate

1. Positive test result on random mandatory arrival test

When you enter Canada, you may be randomly selected for a mandatory arrival test.

- If arriving by air, you will receive an email if selected for testing instructions.
- If arriving at a land border crossing, you will be given a testing kit.

After completing your arrival test, you will be notified of your test result within 4 days. You don't need to isolate while waiting for your test result.

If you test positive:

- **you must isolate for 10 days**; and
- report your test results within 24 hours to Public Health Agency of Canada (PHAC) by calling 1-833-641-0343

2. If starting to have symptoms within 14 days after you arrive

If you and/or your unvaccinated or partially vaccinated child under the age of 12 start having symptoms in the 14-day period after you arrive, you need to all **must isolate for 10 days** from the start of symptoms.

3. If showing symptoms when you enter Canada

You **must isolate for 10 days** if you;

- Know you have COVID-19;
- Show signs and symptoms of COVID-19;
- Have received a positive result for any type of COVID-19 test taken less than 10 days before the day on which you enter Canada; or
- Have any other reasonable grounds to suspect you may have COVID-19.
