Choose a Degree Program

Decision to be made

It is important to consider if a program meets your personal needs. To do this, **notice the following about yourself:**

Reflect & Connect

Motivators

What reasons do I have for entering university?

[Motivators Sheet](#)

Personality

What makes me unique?
What personality traits guide my decisions?

[Personality Mosaic](#)

Interests

What do I talk about/ read about/ watch in my free time?

[Interests Inventory](#)

Academics

What classes have I enjoyed most? Which assignments am I good at?

[Academic Successes](#)

Info Gathering & Options

Once you know more about yourself, it's time to gather information and determine your options:

To apply your personality codes)————([Explore Programs](#)

To learn about career options)————([Degree Profiles](#)

To see which classes interest you)————([Academic Calendar](#)

Evaluate & Decide

Once you've compared your program choices, it's time to determine which two programs you can see yourself pursuing. From there you are ready to take action!
