

Office of Institutional Analysis, University of Calgary Administrators and USRIs How to see results in PowerBI

Phil Johnston, Special Projects Administrator February, 2023

How to see results

Step 1

 Go to <u>www.ucalgary.ca/usri</u> and scroll towards the bottom of the page. Click on the "Administrators" box for USRI Resources.

Find out how to access USRI results and learn how to provide good feedback. Read through specific resources for each of the following groups.

How to see results

Step 2

 Scroll towards the bottom of the page. Click on the "View Results" link.

Step 3

 Login with your IT username and password and with 2 factor authentication

Step 4

- Using the navigation options on the left column, go to the "Title" page.
- Using the filters on the right, select the parameters of what you want to see reports for (i.e. Term, Instructor Name, etc....)
- Then click on the USRI Report button in the middle of the screen.

Step 5

- In this example I filtered on Fall 2022 and the Haskayne School of Business.
- Find the row for the course & section # you want, in that row right click on the "Survey Release Indicator" and then go to "Drill Through" and select "Overall Section Rating" or "Printer PDF Version"

| | | | | | | | | | - | | | |

How to see results

- The Overall Section Rating screen contains a table and a chart illustration of the mode (most frequently selected rating point) for each of the 11 USRI questions and their distribution breakdown.
- If two or more rating points are equal then an asterisk will be displayed for mode (*).

| SRI Admin Report A | General Usage Notes/Instructions: Apply filters on the landing page and prior to navigating to the results page Use infographics in conjunction with filters to slice reports to fit your organizational needs and to drive your investigation Drill through capabilities are available to deep drive into raw underlying data Data Sources and Refresh Frequency. PeopleSoft • Daily HR Information • Monthly Notes: • And the dashboard are scheduled to refresh from their respective source tables once a day. • Data refresh nuns will reflect the previous day's data in the report * As At Date: Dataset last refresh date Version Executly Deams, Department Heads, Other Assessors, and the administrators who support their offices. Contact Business: Office of Institutional Analysis / Provost Office Technical: https://ucalgary.ca/it Technical: https://ucalgary.ca/it | Business Usage Notes/Instructions: The Universal Student Ratings of Instruction (USRI) Reports are the quantitative results of end-of- term student feedback about course design and delivery. When you download a USRI report into PDF format, there is also an interpretation guide that provides additional context and nisphil into the report. Please note, that some USRI results may not show based upon the results being Non-Releasable based upon low participation percentages / numbers. All USRIs from Winter 2020 to and including Winter 2021 were marked Not-Releasable at the direction of the Provost Office in consideration of the COVID-19 pandemic and challenges it posed. Questions can be directed to using@ucalgary.ca More information is available at <u>https://www.ucalgary.ca/provost/teaching-learning/student- aurweys/tuar</u> | Filter type Basic fittering Ø Sectol Ø Sectol |
