- In order to be *considered* for scholarships, students must normally present a minimum GPA of 3.20 and to be *considered* for bursaries, students must normally present a minimum GPA of 2.60.
- Awards are payable only when the student is in actual full-time attendance at the University of Calgary.
- Supplemental, deferred and special deferred examinations or term work may affect eligibility for awards.

- Awards are tenable only at the University of Calgary and only for the current academic year.

The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that gifts from donors, or returns from particular investments for these purposes will permit.
