

ATHLETIC AWARDS

General Information and Policies

In order for students to be eligible for nominated U of C Athletic awards, students must meet the following criteria:

- Must have been registered full time for the previous academic year at the University of Calgary unless the conditions state otherwise.
- Recipients must be registered as full-time students and members of a U of C athletic team in the current Fall/Winter Sessions.
- Must have satisfactorily completed the previous Fall/Winter Sessions with a minimum 2.00 grade point average unless the conditions state otherwise.
- Student athletes are encouraged to refer to other award categories listed in the calendar, or refer to the Student Awards and Financial Aid office website: www.ucalgary.ca/awards/
- The payment of tuition and compulsory fees is the first charge against awards. If the value of an award is stated as "tuition and compulsory fees", it is understood not to include differential fees.

The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that gifts from donors, or returns from particular investments for these purposes will permit.

As this information is published a considerable time before the opening of the session, the University reserves the right to make whatever changes circumstances may require, including cancellation or addition of particular awards.

Name of Award and Donor	Value	No.	Year Entering	Faculty or Fields of Study	Conditions: offered annually. (Most subject to C.I.S. regulations.) For further information contact the Director of Athletics, Faculty of Kinesiology.
