

It is very important that you carefully consider the total financing of your education, from your first session at the University of Calgary to completing your degree objective. If financial help will be needed beyond funds that you or your family are able to provide, you should make the necessary applications for financial assistance well in advance of enrollment. You should pay particular attention to early deadlines for applications for grants, awards and government student loans. While the needs and resources of each student differ, the University can provide a general list of fees and expenses normally encountered.

This section contains awards for undergraduate faculties and awards for the Faculty of Environmental Design.

## Awards for Undergraduate Faculties

### General Information

Awards and financial assistance available to first-year students and undergraduate students at the University are described in this section under the following categories:

- Outstanding Achievement Awards
- Entrance Awards
- Transfer Awards
- Undergraduate Awards – awards available to students in any undergraduate Faculty – awards available to students in a particular field of study by Faculty and Department
- Faculty of Law Awards
- Faculty of Medicine Awards
- Athletic Awards
- External Awards – awards offered by external sources and requiring separate application
- Government Student Aid Plans
- Other Sources of Financial Assistance

Applications are available from the Student Awards and Financial Aid website: [www.ucalgary.ca/awards/](http://www.ucalgary.ca/awards/). Students wishing to apply for Entrance Awards must apply using the on-line application form, accessible through the Student Awards & Financial Aid website.

Completed applications must be submitted on or before the specified deadlines. Where no application is required, the award is made automatically on the basis of academic merit.

The payment of monetary awards, except certain prizes and graduating scholarships, is contingent upon the student proceeding with full-time studies in the immediate Fall and Winter Sessions. Unless otherwise stated in the terms of reference, the recipient must be in actual full-time attendance at the University of Calgary before receiving the awards. Payment of tuition and fees is the first charge against such awards.

If the value of an award is stated as "tuition and fees," it is understood not to include differential fees.
