

## FACULTY OF LAW AWARDS

### General Information and Policies

**Application:** Online application available mid-February through the myUofC portal: <https://my.ucalgary.ca> (PeopleSoft Student Centre). The portal is also accessible from the U of C home page or from the Student Awards and Financial Aid website: [www.ucalgary.ca/awards/](http://www.ucalgary.ca/awards/)

**Deadline:** Unless otherwise stated, completed applications for Law Awards must be submitted on or before **May 1**. Where no application information is listed, the award is made automatically by the Academic Status Committee based on stated criteria, without need for application.

Unless otherwise stated, the following policies are in effect in order to qualify for University administered awards:

- By completing and submitting one Law Awards online application, applicants will be considered for all Faculty of Law scholarships and bursaries, including Differential Tuition Bursaries, listed in this section with the exception of those stating, "No application required".
- Monetary awards, except certain cash prizes, are contingent upon the student proceeding with his, or her, university program in the immediate next academic session. Unless otherwise stated in the conditions, awards are payable only when the student is in actual full-time attendance at the University of Calgary; recipients must maintain full-time status. Exceptions are made for students participating in Official Exchange and Term Abroad Programs where tuition is paid to the University of Calgary. In order to support international study experience, students attending an international post-secondary institution as a full-time Visiting Student on a Letter of Permission and paying tuition to that institution, will be considered on a case-by-case basis.
- The payment of tuition and fees is the first charge against scholarships and bursaries. If the value of an award is stated as "tuition and fees", it is understood not to include differential fees.
- Students who have deferred exams, incomplete term work, grades not yet received for an international exchange, etc. at the time of award selections will be deemed ineligible.
- If a student is granted an award, the University of Calgary reserves the right to release pertinent information to award donors, high schools, provincial funding bodies, U of C Faculty and administrative offices and public news agents. Specific information may be used for U of C promotional purposes.

The University assumes liability for the payment of scholarships, bursaries, prizes and other awards only to the extent that gifts from donors, or returns from particular investments for these purposes will permit.

As this information is published a considerable time before the opening of the session, the University reserves the right to make whatever changes circumstances may require, including cancellation or addition of particular awards.
