2. Completing your Vaccination Attestation Form

- Click “Complete your vaccination attestation form”

- Answer whether you will be attending the University of Calgary in person between now and Dec. 31, 2021 and click “Submit.”

If the answer is No, no further action is required.

University of Calgary Vaccine Attestation Form

Privacy Statement

This information is collected on behalf of the University of Calgary under the authority of section 33(c) of the Freedom of Information and Protection of Privacy Act. It will be used only for the purpose of implementing the Rapid Testing & Vaccination Program. Information may be disclosed to provincial or federal authorities if required by law. De-identified aggregated data will be used to track the overall vaccination level of the UCalgary community. Additional information on the privacy aspects of this program are available at www.ucalgary.ca/covidsafe-campus.ca If you have any questions about the collection or use of this information, contact covid19comms@ucalgary.ca

Do you plan to attend the University of Calgary in-person to learn, to research, to work, to access programs and services or to attend off-site UCalgary activities between now and December 31, 2021?

Required

No Yes Maybe

Submit

- If the answer is **YES** or **MAYBE**, an agreement statement will appear.
- Read and accept the agreement by clicking “I accept.”

As part of the University of Calgary's Rapid Testing and Vaccination Program, the University of Calgary is asking that students, faculty, staff, and visitors provide a statement with respect to their COVID-19 vaccination status.

I accept

To attend in-person activities on campus, individuals must either confirm via this attestation that they are fully vaccinated against COVID-19, or regularly participate in UCalgary's Rapid Testing Program and obtain a negative test result before coming onto campus.

I acknowledge and understand that if I fail to comply with the University of Calgary COVIDSafe Campus strategy I will not be permitted to attend University Campuses, or University-hosted off-site activities, and if I am a student, I could be removed from any in-person course registrations. I further acknowledge and understand that non-compliance, including but not limited to, providing a false attestation, is considered serious misconduct under the University's [Code of Conduct](#) and the [Student Non-Academic Misconduct Policy](#), and may result in discipline in accordance with the applicable policies and procedures.

Required

- Declare your vaccination status and click **“Submit.”**
If you answer **“Yes”** at this step, no further action is required.

I have been fully vaccinated against COVID-19 with a Health Canada approved vaccine at least two weeks prior to today's date.

No

Yes

Prefer not to answer

I understand that my vaccination attestation is freely and voluntarily made, and that I make the attestation conscientiously believing it to be true.

Required

- If you answer **No** or **Prefer not to answer**, the following message box will appear requesting self-assessment and rapid testing.
- Click **“Submit.”**
- You will be redirected to the user homepage, and you will receive an email confirming the completion of the form.

Please complete your self-assessment and rapid screening.

To view your completed tasks

On a laptop/computer device

Click on **“Care Network.”**

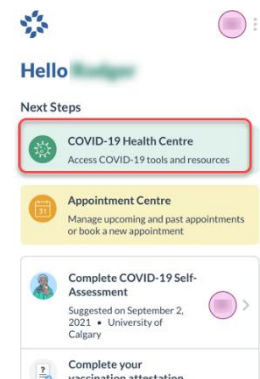

Click on **“University of Calgary Vaccine Reporting Journey.”**

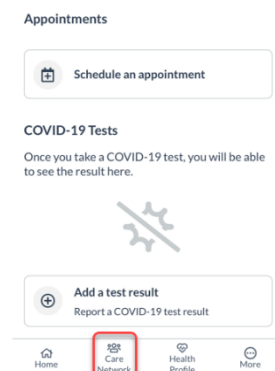

On a smart device

Click on **“COVID-19 Health Centre”**

Click **“Care Network”** found in the mobile menu located at the bottom of your screen. Allow for a couple of seconds for the menu to appear

If you are not coming to campus or have declared full vaccination You are exempt from Steps 3 to 5

3. Completing your COVID-19 Self-Assessment

- On the user homepage, click **“Complete COVID-19 Self-Assessment.”**

- You will be directed to the **Self-Assessment page**. Answer all the questions as prompted.

Status Check-in

This information is not intended to provide individual medical advice to you. If you need medical advice, or are concerned about symptoms you may be experiencing, consult your family doctor or nurse practitioner. If you do not have one or are unable to reach them, call your **Provincial/Territorial health information line** (See help text for Provincial & Territorial numbers). ?

In a medical emergency, always call 9-1-1 or visit the nearest emergency department.

Are you experiencing any of the following symptoms:

- Fever or chills*
- Cough
- Difficulty breathing
- Loss of sense of smell or taste
- Sore throat
- Headache
- Extreme fatigue or tiredness
- Diarrhea
- Loss of appetite
- Nausea or vomiting
- Body aches

?
Required

No Yes

Have you returned to Canada from any country (including the United States) within the last 14 days?
Required

No Yes

Did you have **close contact** with a person with confirmed COVID-19 within the last 14 days?

A **close contact** is someone confirmed to have COVID-19 who you live with or otherwise had close face to face contact (within 2 metres) while they had symptoms or in the 48 hours before their symptoms started.
Required

No Yes

COVID-19 Self-Assessment Status

Last Self-Assessment completed on
August 31, 2021 02:20 PM

Based on your answers, you do not report any symptoms of COVID-19 or exposure to COVID-19. Note: This assessment does not confirm that you do not have COVID-19.

You may book an appointment to pick up your rapid testing kit and attend campus to pick it up. Please complete your first test and upload the results prior to September 14th.

Recommendation ▼

- If you answer **“No”** to all the questions in the Self-Assessment you will be given a **“green”** status.
- Proceed to book an appointment to pick up your rapid testing kits on campus.
 - When you complete the self-administered tests, you will need to upload the results by a specified date.

COVID-19 Self-Assessment Status

- If you answer “Yes” to any question in the Self-Assessment, you will be given a “red” status.

Last Self-Assessment completed on
August 31, 2021 07:00 PM

You are not authorized to attend campus at this time.

If you are experiencing COVID-19 symptoms, stay home, isolate and [book a COVID-19 test through Alberta Health Services](#).

Individuals who test positive for COVID-19 must isolate for 10 days AND have resolved symptoms before coming to campus.

Individuals who test negative for COVID-19 may resume campus activities if their symptoms have resolved.

Unvaccinated close contacts of someone who has tested positive for COVID-19 must not come to campus for 14 days from last date of exposure to the COVID-19 positive individual during their infectious period. Please also follow [AHS recommendations for close contacts](#).

Unvaccinated international travelers entering Canada must quarantine for 14 days unless Canadian Boarder Services Agency (CBSA) has granted a quarantine exemption.

If you meet the above isolation or quarantine conditions, you are not permitted on campus. You do not need to complete a rapid antigen screen until your planned return date to campus and your isolation and quarantine has been lifted.

- Click on **“upload photo”** and select the picture from your computer or phone.
 ⚠️ *As per the instructions included with your test kit, please ensure the photo you upload as the date written on it with the provided Sharpie marker.*
- The picture will show on the screen, click **“Save.”**

- Click **“Submit”** and **“Confirm”** that the information is accurate.

- Click **“Done”** and you will be redirected to the COVID-19 Health Centre.

Negative Test Result

If the test is negative, follow all UCalgary COVID-19 safety protocols and submit another test in 3.5 days.

Inconclusive Test Result

If your result is inconclusive or you are unsure of the result, please perform another test as soon as possible.

If you obtained two consecutive inconclusive rapid screen test results, please contact ohn@ucalgary.ca.

RESULT

 Inconclusive

 Due to your test result being inconclusive, after submitting this result, please conduct another screening test and input your results again.

Next steps

Your test result is

 Inconclusive

Your result was inconclusive and is unable to suggest the absence or presence of COVID-19. Please repeat this test again as soon as you can and continue to follow your workplace COVID-19 safety protocols.

OK

Positive Test Result

If this test result is from a self-administered rapid screen test, use the AHS Online Booking Portal to arrange for a PCR test.

 **DO NOT come to campus. You will need to stay home and self-isolate for 10 days AND until symptoms resolve.**

If you receive a positive PCR test, continue to isolate as directed above.

Please also notify ohn@ucalgary.ca of your positive test result.

If you receive a negative PCR test, you may return to campus if you are not ill.

RESULT

 Positive

 Your test sample does contain COVID-19. Please continue to follow the workplace COVID-19 safety protocols. **DO NOT** come to work until your quarantine is over.

Next steps

Your test result is

 Positive

Your test sample does contain COVID-19. Immediately self-isolate and follow quarantine procedures. Follow your local public health guidelines and take care of yourself.

Do not go to work.

Self-isolate and follow quarantine procedures.

OK
