Worker Details

1 Have your work duties been modified?

Your duties have been modified if your employer made changes to regular job duties, as a result of an injury. For example, tasks or functions, workload (e.g., hours or work schedules), environment or work area, equipment.

Please indicate if you are working as an apprentice.

Employer Details

2 Please complete all the information.

Accident Details

3 Date and time of accident

If your injury developed over a period of time, indicate either the date of first medical treatment or the date you first reported it to your employer and check the box at the right. On the next line, give your start and end times on the day of the accident.

4 Date accident/injury reported to employer

Please provide an accurate date and time someone from your work was made aware of your injury.

Name the person, their position and their contact information. If you could not report your injury immediately, please provide a reason.

5 Describe fully what happened to cause the injury

In your own words, tell us about your injury. If a repetitive strain injury, include your typical actions and how often you repeat them on the job – twisting, typing, pushing and pulling. If any lifting, indicate the weight.

Example: I walked into our walk-in cooler to get a 50 lb. sack of potatoes. I bent down, picked up the sack, and turned to my right to leave. I felt a pull in my lower back and dropped the potatoes on my right foot. As a result, I injured my back and my right foot.

Should you need more space than the area provided, please attach a letter.

Call the Claims Contact Centre 780-498-3999 or 1-866-922-9221 if you are reporting one of the following:

1. Repetitive strain injury

For example, a typist developed tendonitis in the wrist as a result of job duties. Describe fully the job duties done each day. Include the time spent at each task.

2. Occupational disease

Describe hearing loss, respiratory problems, etc. due to prolonged exposure to gas, chemicals, loud noises, etc.

3. Motor vehicle accident

Send us a copy of the police report, when available. Fill out the Automobile Accident Report in this booklet.

6 Location of accident

Wherever the accident occurred, please provide a street address, if possible. Otherwise, indicate the location, such as 25 km east of Edmonton on Hwy 16, an oilrig site. If it is a motor vehicle accident, include the direction of travel.
