

Ergonomic Program Equipment Preferred Pricing Catalogue

Grand and Toy

The Ergonomic Program Equipment List will help managers and staff purchase equipment to improve overall workstation ergonomics. This resource is to be used as a guideline for information related to workstation set up and is not specifically endorsed by the University of Calgary Ergonomic Program.

Prices listed are estimates to assist with budget calculations - installation and/or shipment costs are not included in the price. The Budget Owner or Manager should contact the vendor for preferred vendor pricing and related costs.

Prior to purchasing equipment staff should follow the Staff Wellness [Ergonomic Program Steps](#) to ensure proper ergonomic set up is completed with existing equipment, taking into consideration personal factors, job demands and workstation configuration.

Equipment Trial Program

Staff and Faculty have the option to trial equipment, such as: keyboards, mice, cushions, footrests and document holders through the Ergonomic Equipment Trial Program prior to department purchase. Available equipment can be tried once Step 1 of the Ergonomic Program has been completed (proof of certificate required). To trial equipment, fax a completed [Ergonomic Equipment Trial Agreement](#) to Staff Wellness, Ergonomic Program Advisor, fax# 403-282-8603. Note: Equipment availability is limited therefore there may be a wait period prior to your trial.

Chairs can be tested during the Ergonomic Program Equipment Class (coming soon). Grand and Toy has a demo program for some of their chairs. Please contact the vendor representative.

Equipment Purchases

The employee's department is responsible for the purchase of ergonomic equipment.

UCalgary has specified preferred vendors for office supplies and furniture. As per the "[Supply Chain Management Policy](#)" (section 4.13), "Employees will only use suppliers from this list to procure goods or services. When specific categories are not listed or when Preferred Suppliers cannot meet Requestors requirements, SCM will work with the Requestor to source an appropriate supplier." Vendors are listed according to University of Calgary policy and do not reflect selection or preference by the Ergonomic Program Advisor.

Refer to University of Calgary [Supply Chain Management Policy](#) for more information.

Preferred Vendor

Grand and Toy

Karen Donnelly

Furniture Product Specialist, Interiors

E-mail: karendonnelly@workspaceinteriors.ca

Cell: 403-671-7579

Please contact Karen directly prior to ordering furniture to receive preferred pricing.

Kevin Jackson

Inside Account Manager, Technology

Technology Hardware and Software

E-mail: kevinjackson@grandandtoy.com

Tel: 780-443-5061

Please contact Kevin directly for technology hardware and software questions and/or bulk orders.
