1 Principles and Definitions

1.1 The Haskayne School of Business appeal process for Academic Assessment and graded term work appeals is:

a) confidential,
b) provides procedural fairness,
c) strives for consistency in terms of its decisions,
d) administratively efficient, and
e) contributes to a fair and just University.

1.2 A Student wanting to appeal an Academic Assessment decision made by the Haskayne School of Business or a graded term work decision made by the Haskayne School of Business must use these procedures.

1.3 The term “Academic Assessment” means the determination of a student’s final level of achievement in a specific Haskayne School of Business course, and includes grades, credit or fail designations, and, if specified in a Haskayne School of Business course outline, assessments of all aspects of professional behaviour.

1.4 The term “Academic Progression Matter” means a matter regarding a Student’s academic achievement in the Student’s program. Academic Progression Matters include: assessments of all aspects of professional behaviour as required in University documents other than a course outline; dismissals; or the requirement to withdraw. Academic progression matters do not include: decisions regarding Academic Assessments or Student Academic Misconduct.
1.5 The term “Appellant” means a Student who appeals an Academic Assessment or Graded Term Work decision about themselves.

1.6 The term “Business Days” means days that the University is open for business, excluding weekends and holiday closures.

1.7 The term “Dean” refers to the Dean of the Haskayne School of Business or their delegate. In general, this will be the Associate Dean, undergraduate or graduate, as appropriate.

1.8 The term “Graded Term Work” refers to graded term work as described in Section I.2 Reappraisal of Graded Term Work of the academic regulations of the University Calendar.

1.9 The term “Reasonable Apprehension of Bias” generally means that a reasonable and informed person, viewing the matter realistically and practically, would think that it is more likely than not that a decision maker was biased in respect of the decision under appeal.

1.10 The term “Respondent” means a person who responds to the appeal. This may or may not be the person who made the decision under appeal.

1.11 The term “Student” means an individual who is registered in a course in Haskayne School of Business, at the time the decision under appeal occurred.

1.12 The term “Graduate Programs” includes those courses in the masters and doctoral programs in the HSB.

1.13 The term “Student Academic Misconduct” means plagiarism, cheating or other academic misconduct as defined in the academic regulations of the University Calendar or in any University policy that defines student academic misconduct;

1.14 The term “Student Non-academic Misconduct” means conduct that is prohibited as outlined in Appendix 1: Prohibited Conduct of the Student Non-Academic Misconduct Policy.

1.15 The term “University” means the University of Calgary.

1.16 The term “Faculty Appeals Committee” refers to the Haskayne committee as defined in section 11.
2 Procedural Fairness: Necessary for Decisions

Providing notice that a decision is to be made and sufficient information for an affected person to know what is required or what is at stake.

Providing clear and appropriate reasons for decisions

Providing an appropriate forum for an affected person to present their views and be heard.

Making a decision in a reasonable time.

Being impartial and unbiased.

3 Appellant Responsibilities and Grounds of Appeal

3.1 A student may appeal an Academic Assessment or Graded Term Work decision on only the following grounds:

a) that a procedural irregularity occurred in making the Academic Assessment decision or Graded Term Work decision (including a deviation from a course outline or communicated performance expectation, or where a grade was not updated), or

b) that an Academic Assessment or Graded Term Work decision was determined on some basis other than performance, which may include allegations of a reasonable apprehension of bias.

3.2 The following are not recognized as grounds for appeal by the Faculty Appeals Committee, and will result in an appeal being rejected:

a) ignorance of University or Haskayne School of Business policies, regulations, procedures, or the contents of a course outline;

b) mere dissatisfaction or disagreement with the Academic Assessment, Graded Term Work decision, a reappraisal, the course outline, or performance expectations;

c) achievement in other course work or programs;

d) extenuating circumstances; or

e) the numerical calculation being close to the next highest letter grade.
3.3 Appellants may ask for only one of the following outcomes in their appeal:
   a) that Graded Term Work be discounted from the final grade achieved;
   b) that the Academic Assessment decision or Graded Term Work decision be returned to the department or decision maker, as appropriate, for another reappraisal, as directed by the Faculty Appeals Committee; or
   c) that the Academic Assessment decision or Graded Term Work decision be returned to the department or decision maker, as appropriate, for other resolution which resolution must be in accordance with applicable University and Faculty policies, regulations and procedures.

3.4 An Appellant is responsible to satisfy the Dean or the Faculty Appeals Committee that the Appellant’s evidence or position is more likely than not to have occurred or to be accurate. This is referred to as the balance of probabilities standard of proof.

4 Submitting an Appeal

4.1 Prior to submitting an appeal under these procedures, a Student must have completed all steps required by Section I Reappraisal of Graded Term Work and Academic Assessments (final grades) of the academic regulations of the University Calendar.

4.2 Appellants must submit an appeal to the Associate Dean Undergraduate or Associate Dean Graduate, as appropriate, on or before 11:59 PM (MT) on the tenth (10th) Business Day after completing the steps referred to in Section 4.1 above.

4.3 Each appeal to the Dean must be submitted in writing to the Associate Dean (Undergraduate) or the Associate Dean (Graduate), as appropriate, and must include:
   a) the Appellant’s student ID number, current address and telephone contact number(s),
   b) the Academic Assessment decision or Graded Term Work decision being appealed,
   c) a list of and explanation for any grounds of appeal,
   d) the outcome sought by the Appellant,
   e) copies of all documentation relevant to the appeal, including any correspondence regarding the decision being appealed, and
   f) copies of any additional supporting evidence.

5 Receipt of the Appeal

5.1 The Dean may refer an appeal directly to the Faculty Appeals Committee, or may seek to resolve the appeal to the Appellant’s satisfaction. If the Dean is unable to resolve an appeal to the Appellant’s satisfaction, the Dean will forward the appeal to a Chair of the Faculty Appeals Committee. In either case, the Dean will acknowledge the Appellant’s appeal within two (2) Business Days of receipt of the appeal, and, if the Dean is not able to resolve the appeal, forward the appeal to the
Chair of the Faculty Appeals Committee within ten (10) Business Days of receipt of the appeal.

5.2 Within ten (10) Business Days of receipt of an appeal from the Dean, the Chair of the Faculty Appeals Committee will issue correspondence that indicates whether:
   a) the appeal is denied, or
   b) the appeal is proceeding to a written or oral hearing before the Faculty Appeals Committee.

5.3 Where the Chair has determined that the appeal is proceeding to a hearing, and the appeal alleges that an Academic Assessment or Graded Term Work decision was determined on some basis other than performance (including instructor bias or discrimination), an oral hearing will normally be held.

5.4 If the Chair determines that the appeal is proceeding to a written or oral hearing before the Faculty Appeals Committee, the correspondence contemplated in Section 5.2 will include: i) the timeline for a written hearing or the oral hearing date, location and time, and ii) the names of the Faculty Appeals Committee members (the Panel) that will hear and decide the appeal. The Chair will also request a response to the appeal from the Respondent, to be submitted no later than five (5) Business Days before the hearing.

6 Prior to a Hearing

6.1 An Appellant and a Respondent will be given five (5) Business Days advance notice of the time and place of the oral hearing. In order to ensure timely resolution of appeals, Appellants and Respondents are expected to make the necessary scheduling arrangements to participate in the hearing. The Chair will grant amendments to the hearing dates only if a written request is made and only if there are exceptional circumstances that necessitate an amendment.

6.2 If necessary, an Appellant or a Respondent may be offered the opportunity to attend a hearing over teleconference, videoconference, or some other electronic means.

6.3 Both the Appellant and the Respondent have the right to have a person of their choice appear with them at the hearing to support them. Unless otherwise decided by the Chair, persons attending in a support role are not allowed to present evidence, to ask questions or to address either the Respondent or the Faculty Appeals Committee during the hearing.

6.4 Both the Appellant and the Respondent have the right to challenge the membership of the Faculty Appeals Panel. Challenges may only be made where it is claimed that a Faculty Appeals Committee member has a conflict of interest that may prevent a fair decision being made. A challenge must be made in writing to the Chair of the Faculty Appeals Committee, and must include evidence supporting the challenge. A challenge will be decided by the Chair, unless the Chair is the subject of the challenge, in which case the remaining Committee members will decide the
challenge. If the challenge is successful, the Chair will provide the names of the new
panel to the Appellant and the Respondent and adjust the hearing timeline as
needed.

6.5 Both the Appellant and Respondent will receive copies of all submissions,
documents and evidence relating to the decision being appealed no later than five
(5) Business Days before the hearing.

7 Hearing Process

7.1 The Chair of the Faculty Appeals Committee will conduct a written or oral hearing
in the manner that they consider fair and reasonable.

7.2 Generally, a written hearing process will follow a schedule that provides the
Appellant with the final opportunity to respond, in writing, to the written
submissions of the Respondent.

7.3 Generally, at the commencement of an oral hearing, the Chair of the Faculty Appeals
Panel will:

   a) introduce everyone participating in the hearing, provide an overview of the
      process, confirm that there are no conflict of interest matters, and
      summarize the appeal, the issues to be decided and the outcome sought;
   b) invite the Appellant to present their appeal;
   c) invite the Respondent to present the response to the appeal;
   d) invite the Appellant and Respondent to ask questions of each other, and
      invite members of the Faculty Appeals Committee to ask questions of both,
      with questions being directed through the Chair;
   e) provide the Respondent with an opportunity to make any final comments;
      and
   f) provide the Appellant with an opportunity to make any final comments.

7.4 Following either an oral or written hearing process, the Faculty Appeals Panel will
meet in camera to consider the evidence and make a decision. Legal Counsel to the
Faculty Appeals Committee, if any, and any support personnel for the Faculty
Appeals Committee may attend deliberations.

7.5 If the Appellant or Respondent do not attend an oral hearing or participate in a
written hearing process, the Faculty Appeals Committee may proceed with the
hearing in the absence of the Appellant or Respondent and, for oral hearings, may
accept the written documentation submitted by the non-attending party in lieu of
oral submissions made in person.

8 The Faculty Appeals Committee Decision

8.1 All members of the Faculty Appeals Committee hearing an appeal will vote. The final
decision will be carried by a majority vote.

8.2 Decisions of the Faculty Appeals Committee will be based solely on information,
documentation and evidence that has been submitted to the Committee from the
Appellant and the Respondent or that has been provided in advance of, or at, the hearing to the Appellant and Respondent by the Faculty Appeals Committee.

8.3 The Faculty Appeals Committee decision will normally include a brief description of the history of the appeal, a summary of the evidence, the reasons for the decision and the resulting outcome.

8.4 The Faculty Appeals Committee decision will not record any dissenting opinions.

8.5 Decisions of the Faculty Appeals Committee regarding Graded Term Work are final and not appealable at the University.

8.6 Decisions of the Faculty Appeals Committee regarding Academic Assessment decisions may be subject to right of further appeal under the Student Misconduct and Academic Appeals Policy.

8.7 The Chair of the Faculty Appeals Committee will distribute the decision, using ucalgary email addresses, to the following within ten (10) Business Days of the close of the written hearing process or the end of the oral hearing to:

   a) the Appellant,
   b) the Respondent,
   c) the Associate Dean of the appropriate program office, and
   d) if appropriate, the Registrar.

8.8 The Chair can make recommendations to the Dean to improve Faculty regulations or procedures.

9.1 All written and oral information regarding an appeal is confidential;

9.2 A hearing will not be open to the public;

9.3 All appeal records will be retained for twelve (12) years; and

9.4 There will be no audio or video recording of the hearing by the Faculty Appeals Committee or any party or participant.

10 Jurisdiction of the Dean, the Chair of the Faculty Appeals Committee, and the Faculty Appeals Committee

10.1 The Dean of Haskayne School of Business has the jurisdiction to resolve an appeal made under these procedures to an Appellant’s satisfaction in any circumstance.

10.2 In addition to participating in the decision making process for appeals made under these procedures, the Chair of the Faculty Appeals Committee also has the jurisdiction to deny an appeal, or to determine that a hearing is necessary and the process for that hearing.

10.3 The Chair may only deny an appeal where:

   a) the appeal was not submitted before the deadline;
   b) the decision being appealed is not identified;

d) the decision being appealed does not fall within the jurisdiction of the Faculty Appeals Committee;
e) the appeal is made by a person who is not a Student, or the legal counsel of a Student;
f) the Appellant has not yet completed all steps required in Section I Reappraisal of Graded Term Work and Academic Assessments (final grades) of the academic regulations of the University Calendar regarding reappraisal of term work or reappraisal of final grade, including speaking with the Student’s instructor, department head or associate dean, and seeking a grade reappraisal, if appropriate; or
g) the Appellant does not raise any grounds or request a specific outcome, or raises grounds or outcomes other than those permitted by these procedures.

10.4 A decision made by the Chair in accordance with this procedure is final and not appealable at the University.

10.5 The Faculty Appeals Committee has the jurisdiction to hear and decide appeals of Academic Assessments and Graded Term Work.

10.6 The Faculty Appeals Committee does not have jurisdiction to hear appeals regarding decisions related to:
   a) Student Academic Misconduct;
   b) Student Non-academic Misconduct;
