**1 Principles and Definitions**

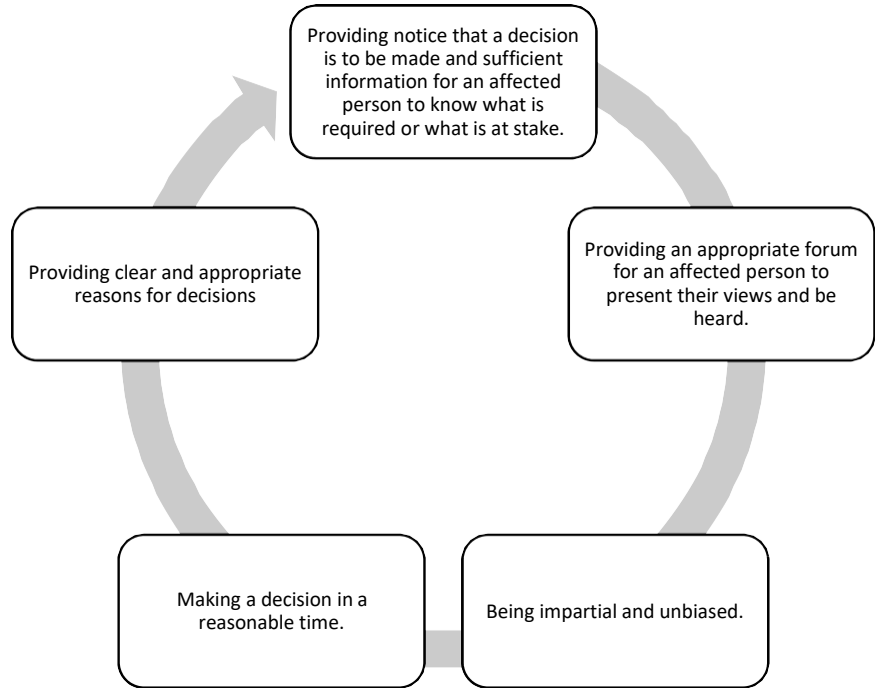

- 1.1 The Faculty of Nursing appeal process for Academic Assessment and graded term work appeals is:
  - a) confidential,
  - b) provides procedural fairness,
  - c) strives for consistency in terms of its decisions,
  - d) administratively efficient, and
  - e) contributes to a fair and just University.
- 1.2 A Student wanting to appeal an Academic Assessment decision made by the Faculty of Nursing or a graded term work decision made by the Faculty of Nursing must use these procedures.
- 1.3 The term “Academic Assessment” means the determination of a student’s final level of achievement in a specific Faculty of Nursing course, and includes grades, credit or fail designations, and, if specified in a Faculty of Nursing course outline, assessments of all aspects of professional behaviour.
- 1.4 The term “Academic Progression Matter” means a matter regarding a Student’s academic achievement in the Student’s program. Academic Progression Matters include: assessments of all aspects of professional behaviour as required in University documents other than a course outline; dismissals; or the requirement to withdraw. Academic progression matters do not include: decisions regarding Academic Assessments or Student Academic Misconduct.

- 1.5 The term “Appellant” means a Student who appeals an Academic Assessment or Graded Term Work decision about themselves.
- 1.6 The term “Business Days” means days that the University is open for business, excluding weekends and holiday closures.
- 1.7 The term “Dean” refers to the Dean of the Faculty of Nursing or their delegate.
- 1.8 The term “Graded Term Work” refers to graded term work as described in Section I.2 *Reappraisal of Graded Ten Work* of the [academic regulations](#) of the University Calendar.
- 1.9 The term “Reasonable Apprehension of Bias” generally means that a reasonable and informed person, viewing the matter realistically and practically, would think that it is more likely than not that a decision maker was biased in respect of the decision under appeal.
- 1.10 The term “Respondent” means a person who responds to the appeal. Normally, this will be the faculty member that is responsible for the Academic Assessment or Graded Term Work decision.
- 1.11 The term “Student” means an individual who is registered in a course in the Faculty of Nursing, at the time the decision under appeal occurred.
- 1.12 The term “Student Academic Misconduct” means plagiarism, cheating or other academic misconduct as defined in the [academic regulations](#) of the University Calendar or in any University policy that defines student academic misconduct;
- 1.13 The term “Student Non-academic Misconduct” means conduct that is prohibited as outlined in [Appendix 1: Prohibited Conduct](#) of the [Student Non-Academic Misconduct Policy](#)
- 1.14 The term “University” means the University of Calgary.

**2 Procedural Fairness:  
Necessary for  
Decisions**

**3 Appellant  
Responsibilities and  
Grounds of Appeal**

- 3.1 A student may appeal an Academic Assessment or Graded Term Work decision on only the following grounds:
- a) that a procedural irregularity occurred in making the Academic Assessment decision or Graded Term Work decision (including a deviation from a course outline or communicated performance expectation, or where a grade was not updated), or
  - b) that an Academic Assessment or Graded Term Work decision was determined on some basis other than performance, which may include allegations of a reasonable apprehension of bias, or
  - c) that relevant new information has arisen that could not have been presented to the Faculty of Nursing earlier and that may have otherwise affected the decision being appealed.
- 3.2 The following are not recognized as grounds for appeal by the Faculty Appeals Committee, and will result in an appeal being rejected:
- a) ignorance of University or Faculty of Nursing policies, or the contents of a course outline;
  - b) mere dissatisfaction or disagreement with the Academic Assessment, Graded Term Work decision, a reappraisal, the course outline, or performance expectations;

**UNIVERSITY OF  
CALGARY**

- c) achievement in other course work or programs; or
- d) the numerical calculation being close to the next highest letter grade.

- 3.3 Appellants may ask for only one or more of the following outcomes in their appeal:
- a) That Graded Term Work be discounted from the final grade achieved. This outcome may only be requested as part of an appeal specific to a nursing theory course(s);
  - b) That the Academic Assessment decision or Graded Term Work decision be returned to the department or decision maker, as appropriate, for another reappraisal, as directed by the Faculty Appeals Committee. This outcome may only be requested as part of an appeal specific to a nursing theory course(s);
  - c) That the Appellant be permitted to retake the course(s) at issue at the next available offering. This outcome may only be requested as part of an appeal specific to a nursing clinical course; or
  - d) that the Academic Assessment decision or Graded Term Work decision be returned to the department or decision maker, as appropriate, for resolution, which resolution must be in accordance with applicable University and Faculty policies, regulations and procedures.
- 3.4 An Appellant is responsible to satisfy the Dean or the Faculty Appeals Committee that the appellant's evidence or position is more likely than not to have occurred or to be accurate. This is referred to as the balance of probabilities standard of proof.

#### **4 Submitting an Appeal**

- 4.1 Prior to submitting an appeal under these procedures, a Student must have completed all steps required by Section I *Reappraisal of Graded Term Work and Academic Assessments (final grades)* of the [academic regulations](#) of the University Calendar, including speaking with the Student's instructor, department head or associate Dean, and seeking a reappraisal, if appropriate.
- 4.2 Appellants must submit an appeal to the Dean, within seven (7) business Days of the date of completing the steps referred to in Section 4.1 above.
- 4.3 Each appeal to the Dean must be submitted in writing to [nursdean@ucalgary.ca] and must include:
- a) the Appellant's student ID number, current address and telephone contact number(s),
  - b) the Academic Assessment decision or Graded Term Work decision being appealed,
  - c) the specific ground for the appeal, (see 3.1, 3.2)
  - d) the outcome sought by the Appellant, (see 3.3)

**UNIVERSITY OF  
CALGARY**

- e) copies of all documentation relevant to the appeal, including any correspondence regarding the decision being appealed, and
- f) copies of any additional supporting evidence.

**5 Receipt of the Appeal**

- 5.1 The Dean may refer an appeal directly to the Faculty Appeals Committee, or may seek to resolve the appeal to the Appellant's satisfaction. If the Dean is unable to resolve an appeal to the Appellant's satisfaction, the Dean will forward the appeal to a Chair of the Faculty Appeals Committee. In either case, the Dean will respond to the Appellant's appeal within two (2) Business Days of receipt of the appeal, and, if necessary, forward the appeal to a Chair of the Faculty Appeals Committee within ten (10) Business Days of receipt of the appeal.
- 5.2 Within five (5) Business Days of receipt of an appeal, the Chair of the Faculty Appeals Committee will issue correspondence that indicates whether:
  - a) the appeal is denied, or
  - b) the appeal is proceeding to an oral hearing before the Faculty Appeals Committee.
- 5.3 If the Chair determines that the appeal is proceeding to an oral hearing before the Faculty Appeals Committee, the correspondence contemplated in Section 5.2 will include: i) the timeline for the oral hearing date, location and time, and ii) the names of the Faculty Appeals Committee members that will hear and decide the appeal. The Chair will also request a response to the appeal from the Respondent. The Respondent's response must be submitted to the Chair within five (5) Business Days of the date of the correspondence contemplated in Section 5.2.

**6 Prior to a Hearing**

- 6.1 An Appellant and a Respondent will be given five (5) Business Days advance notice of the time and place of the oral hearing. In order to ensure timely resolution of appeals, Appellants and Respondents are expected to make the necessary scheduling arrangements to participate in the hearing. The Chair will grant amendments to the hearing dates only if a written request is made and only if there are exceptional circumstances that necessitate an amendment.
- 6.2 At the discretion of the Chair and only in rare circumstances, the Appellant or a Respondent may be offered the opportunity to attend a hearing over teleconference, videoconference, or some other electronic means.
- 6.3 Both the Appellant and the Respondent have the right to have a person of their choice appear with them at the hearing to support them. Unless otherwise decided by the Chair, persons attending in a support role are not allowed to present evidence, to ask questions, or to address either the Respondent or the Faculty Appeals Committee during the hearing.

- 6.4 Both the Appellant and the Respondent have the right to challenge the membership of the Faculty Appeals Committee. Challenges may only be made where it is claimed that a Faculty Appeals Committee member has a conflict of interest that may prevent a fair decision being made. A challenge must be made in writing to the Chair of the Faculty Appeals Committee, and must include evidence supporting the challenge. A challenge will be decided by the Chair, unless the Chair is the subject of the challenge, in which case the remaining panel members will decide the challenge. If the challenge is successful, the Chair will provide the names of the new panel to the Appellant and the Respondent and adjust the hearing timeline as needed.
- 6.5 At the discretion of the Chair of the Faculty Appeals Committee, the Faculty Appeals Committee will have access to the Appellant's academic file.
- 6.6 Both the Appellant and Respondent will receive copies of all submissions, documents and evidence relating to the decision being appealed, including, if appropriate, the Appellant's academic file, no later than five (5) Business Days before the hearing.
