

International Collaborative program Admissions FAQ

What are the admission requirements for the 2+2/3+2 International Articulation Program?

A cumulative grade point average of 3.00 on a 4.00 scale or equivalent (80%) on all transfer subjects, calculated from the most recent 30 credit hours completed at your university, including equivalent pre-requisites as determined by the University of Calgary.

Courses completed at your home institution will be reviewed by the University of Calgary. You may be required to take additional prerequisites to be accepted into the program.

How to apply for the 2+2/3+2 International Articulation Program?

Please contact the International Department in your home university. They will refer you to the proper link to apply and provide you the guidelines about how to apply for the program. You must only apply through the link provided by your home university.

Are there any English Language Proficiency Requirement?

Yes, you will be required to provide proof of English language proficiency as part of your application for admission to the University of Calgary. A list of acceptable English language tests may be found here:

<http://www.ucalgary.ca/pubs/calendar/current/a-11.html>

The most commonly submitted language tests are the TOEFL (minimum score of 86) or the IELTS (minimum score of 6.5). If you have a score lower than those mentioned above, please send it along with your application documents as you may be eligible for the program but you'll be required to complete additional language training courses through our International Foundations program.

What documents will I need to provide?

After you have applied, the Admissions Office will require:

1. A copy of your academic transcript prepared after your fall grades have been issued (February-March 2021).
2. A copy of your English Language Proficiency score.

How may I submit my documents?

Initially you may submit photocopies/scans of your official documents by email to Candace Turcotte in the Admissions Office:

International.admissions@ucalgary.ca

Please note, if you are admitted, official documents will need to be submitted to the University of Calgary before your program begins (before the end of August).

What is the deadline to apply and to submit supporting documents?

The deadline to submit your application is March 1, 2021. To ensure sufficient time for processing and to secure a study permit, documents for admission (transcripts, language test score) must be received by March 15, 2021.

What is an official transcript?

An official transcript is one that has been sent directly to the University of Calgary from your University in a sealed, unopened University envelope. Photocopies/scans may be used to assess your application (unofficial transcripts) but, if you are admitted, please ensure your final, official transcript is sent to the University of Calgary before your classes begin in order to formalize your admission.

What is an official English language proficiency score?

The University of Calgary can verify an IELTS score online if you provide a copy of your test report form. Scores verified online by the University of Calgary will be considered official. TOEFL scores must be sent to the University of Calgary from TOEFL (ETS-Educational Testing Service). If you have been offered admission, please make arrangements for your TOEFL score to be sent to the University of Calgary. Our institution code is 0813, department 00.

When will I hear about my application status?

The Admissions Office will advise you of your admission status by May 15, 2021. Please ensure you have provided the University of Calgary with your transcript and English test score by March 15, 2021 (or earlier).

Student life in Canada FAQ

Will University of Calgary provide accommodation arrangement for international students?

International Students can apply for in campus dormitory or rent units from outside of campus by themselves. The cost to rent a room in the dormitory on campus is often lower than renting a unit outside of campus, and the location is much more convenient for students. Click the link below for more information,

<https://www.ucalgary.ca/ancillary/residence>

Can International Collaborative Program Student receive scholarship?

We don't offer scholarship for this program, however, international students participating in the Articulation program receive a 10% award. International students may also be eligible for scholarships through the University of Calgary awards website in their second year of studies.

Can international students receive medical coverage while studying in Canada?

Yes, international students studying in post-secondary institutions in Alberta will be eligible for free Alberta Health Insurance. Students in the University of Calgary will also receive extended health and dental coverage from the students' union, the cost is included in the tuition fee.

Are international students allowed to work while studying?

Yes, as per CIC regulations, international students studying full-time in designated post-secondary institutions are allowed to work on/off campus up to 20 hours per week.

Can international students work in Canada after completing the articulation program?

Yes, international students successfully completing the articulation program will be eligible for a work permit.
