Occasionally, the University of Calgary may wish to use the photography, video, and written materials submitted to the University of Calgary International (UCI) for pamphlets, posters, on the UCalgary website, on social media, and in other promotional/advertising materials. If you agree to the use of your written materials, videos and/or photographs by the University of Calgary for this purpose, please sign and read the following statements.

I hereby consent and agree to the use of my photographs, video, and written materials submitted, and/or any photography or video of myself (or my likeness), in any and all of University of Calgary's publications, including website entries, broadcast media, public displays, or social media, without payment or any other considerations.

I agree that the UCI may reproduce any photographs/video/written materials so made in whole or in part by UCI and that the original and any copies of such photographs/video/written materials will become the sole property of UCalgary. I agree to the unrestricted distribution within the University of Calgary of such photographs/video/written materials and any copies thereof, for educational purposes by UCI, its officers, directors, employees, agents or assignees ("UC Indemnitees"), and I understand that there will be no financial or other consideration for the production or use of the photographs/video/written materials or copies thereof.
