Dear Counsellor,

On behalf of our UCalgary recruitment team, I’d like to start by acknowledging the important role you have in helping students assess and evaluate their post-secondary options. Our relationship with counsellors and advisors is vital and valued. To help make your job easier, this document contains information about how to connect with us, what’s new at UCalgary, a summary of admission requirements and our important dates and deadlines.

My team and I look forward to working with you in the upcoming year. If you have questions, or would like to request additional resources or information, please don’t hesitate to contact me.

Best Regards,
Steven Kelly
Manager, Student Recruitment

dates and deadlines

2018
September 29  Open House
October 1  Fall 2019 undergraduate admission applications open
October 1  Fall 2019 undergraduate awards applications open. Students can apply for awards as soon as they apply for admission.
November 15  Estimated date for first round of offers of admission
December 10  Application for residence opens. Students can apply for residence as soon as they apply for admission.

2019
January 15  Initial transcript deadline for prestige award applicants
March 1  Fall 2019 undergraduate admission applications deadline
March 1  High school awards application deadline
March 15  Initial transcript and supporting documents required for admission (high school and transfer applicants)
May 1  Initial deadline to accept an offer and pay admission deposit
May 1  Deadline to apply for a guaranteed room in residence
June 1  Final transcript deadline for transfer applicants
August 1  Final transcript deadline for high school applicants

what’s new

Engineering
Schulich School of Engineering now offers guaranteed admission into a student’s preferred major in their second year for all students who are admitted with at least 90% admission average or higher.
This offer is conditional to the student maintaining a 2.7/4.0 GPA in their first year.

SEVERAL PROGRAMS HAVE UPDATED ENTRY REQUIREMENTS, EFFECTIVE FOR THE FALL 2019 INTAKE

Earth Science
- English
- Mathematics 30-1
- Chemistry
- Two approved senior level courses of which one may be an approved option
Note: a grade of at least 70% in Mathematics is a prerequisite for most first-year math courses

Economics, Geography (BA, BSc), Psychology (BSc)
- English
- Mathematics 30-1
- Three approved senior level courses of which one may be an approved option
A grade of at least 70% in Mathematics is a prerequisite for most first-year math courses
Psychology (BSc): while not required for admission, Biology and Chemistry are required to complete program requirements

Psychology (BA)
- English
- Mathematics 30-1 or 30-2
- Three approved senior level courses of which one may be an approved option

To see admission requirements for all our programs, visit ucalgary.ca/registrar/requirements.
around campus

When it opens in 2022, Mathison Hall will offer business students a state-of-the-art learning environment, provide much-needed classroom space at the University of Calgary, and propel the Haskayne School of Business to the next level, all thanks to a $20 million donation from Calgary business leader Ronald P. Mathison.

Thanks in part to a generous $40 million gift by the Hunter Family Foundation, the Hunter Hub for Entrepreneurial Thinking was established to encourage entrepreneurial thinking and innovation across the university.

international student support

International Student Services (ISS) provides support services and customized advising for international students. Our leadership initiatives deliver unique peer-driven programs that connect international and Canadian students. ucalgary.ca/iss

ISS also has Regulated Canadian Immigration Consultants (RCICs) and a Regulated International Student Immigration Advisor (RISIA) on staff to assist with student immigration issues. Email international.advice@ucalgary.ca with your questions.

The Welcome Centre provides support for new-to-Calgary students as they prepare to make Calgary their home. ucalgary.ca/welcomecentre

other resources

GUIDANCE COUNSELLOR WEB RESOURCES
Access admission resources, fees and finance information, registration support, as well as publications and forms (including the predicted IB form). Learn more at ucalgary.ca/future-students/undergraduate/counsellors.

STUDENT ACCESSIBILITY SERVICES
UCalgary offers an accessible, equitable learning environment. To learn more, visit ucalgary.ca/access/prospective-students.

UCALGARY DINOS

APPLYING FOR STUDY PERMITS
For complete details about applying for a study permit in Canada, visit the Government of Canada website at canada.ca/en/immigration-refugees-citizenship/services/study-canada.

LIVING ON CAMPUS
Students are guaranteed residence for the first two years of study if they apply by May 1, 2019. Learn more at ucalgary.ca/residence/kananaskis.

The state-of-the-art Taylor Family Digital Library is one of North America’s most technology- and information-rich facilities.

MacEwan Student Centre is a hub for social activity and home to many services, including a medical centre and 20+ food outlets.

We guarantee a room in residence for first and second year, provided students apply for residence by May 1, 2019.

The Fitness Centre has an excellent range of equipment and certified staff to help students become familiar with the facility.

Light rail transit and buses directly connect the university to the rest of Calgary so students can easily explore the city.
UCalgary offers innovative combined degree programs you can view at ucalgary.ca/future-students/undergraduate/explore-programs. Each degree program has specific admission requirements. High school applicants need to present their main specialization and a minor is their secondary one (minors are not selected until after their first year of study). Students can customize their education by selecting a degree program, as well as a major and a minor. A major is their main specialization and a minor is their secondary one (minors are not selected until after their first year of study). Visit ucalgary.ca/sustainability to explore program possibilities.
admission requirements

ESTIMATED MINIMUM ADMISSION AVERAGE

REQUIRED SUBJECTS

• Mid 70s (25 for IB students)
• English Language Arts 31
• Mathematics 30-1
• Chemistry 30
• Two approved courses at the 30 level (of which one may be an approved option)

FACULTY OF ARTS

ECONOMICS, GEOGRAPHY (BA, BSC), PSYCHOLOGY (BSC)

• Low 80s (27 for IB students)
• Psychology (BA)
• English Language Arts 31
• Mathematics 30-1 or 30-2
• Three approved courses at the 30 level (of which one may be an approved option)

FACULTY OF ARTS

PSYCHOLOGY (BA)

• Low 70s (27 for IB students)
• English Language Arts 31
• Four approved courses at the 30 level (of which one may be an approved option)

FACULTY OF ARTS

ALL OTHER PROGRAMS

• Low 70s (24 for IB students)
• English Language Arts 31
• Four approved courses at the 30 level (of which one may be an approved option)

CUMMING SCHOOL OF MEDICINE

COMMUNITY REHABILITATION

• Mid 70s (25 for IB students)
• English Language Arts 31
• Biology 30
• Three approved courses at the 30 level (of which one may be an approved option)

CUMMING SCHOOL OF MEDICINE

HEALTH SCIENCES

• Mid 80s (30 for IB students)
• English Language Arts 31
• Mathematics 30-1
• One approved course or option at the 30 level

HASSEYNE SCHOOL OF BUSINESS

• Low 80s (27 for IB students)
• English Language Arts 31
• Mathematics 30-1
• Two approved courses at the 30 level (of which one may be an approved option)

EARLY ADMISSION BASIS 💡 INTERNATIONAL BACCAULÆRATE 💡 NOTES

• English, Social Studies and two approved courses

• English A Lit or Language (HL or SL) or English B HL
• Four approved courses

• Supplementary requirements to BMath: online audition form and audition; Dance: statement of intent; Auditions: Visual Studies: portfolio.
• Admission to the BMus, BA (Music) stream in Music requires evidence of successful completion of RCM Level 8 Theory or an equivalent music theory diagnostic exam.

• English, Mathematics, Chemistry and one approved course

• English A Lit or Language (HL or SL) or English B HL
• One of Mathematics (HL or SL) or Mathematical Studies SL or Further Math SL
• Two approved courses

• English, Mathematics and two approved courses

• English A Lit or Language (HL or SL) or English B HL
• One of Mathematics (HL or SL) or Mathematical Studies SL or Further Math SL
• Three approved courses

• English, Mathematics, Social Studies and one approved course

• English A Lit or Language (HL or SL) or English B HL
• One of Mathematics (HL or SL) or Mathematical Studies SL or Further Math SL
• Three approved courses

• English, Biology and two approved courses

• English A Lit or Language (HL or SL) or English B HL
• Biology (HL or SL)
• Three approved courses

• English, Mathematics, Biology and Chemistry

• English A Lit or Language (HL or SL) or English B HL
• One of Mathematics (HL or SL) or Mathematical Studies SL or Further Math SL
• A grade of at least 70% is required for admission
• Chemistry (HL or SL)
• Biology (HL or SL)
• One approved course

• English, Mathematics and two of Aboriginal Studies, Biology, Chemistry, Computing Science, Intermediate Level (five-credits) Career and Technology Series, Language or Language and Culture courses at the 30 level, Mathematics 31, Physics 31, Science 30 or Social Studies 30-1
• One approved five-credit course (or two three-credit courses) at the 30 level

• English, Mathematics and two of English, Mathematics, Chemistry and one approved course

• English A Lit or Language (HL or SL) or English B HL
• One of Mathematics (HL or SL) or Mathematical Studies SL or Further Math SL
• A grade of at least 70% is required for admission
• Chemistry (HL or SL)
• Biology (HL or SL)
• One approved course

• Science or Mathematics

• English A Lit or Language (HL or SL) or English B HL
• One of Mathematics (HL or SL) or Mathematical Studies SL or Further Math SL
• Two of History (HL or SL), Biology (HL or SL), Chemistry (HL or SL), Physics (HL or SL), Computer Science (HL or SL), Other Languages (HL or SL)

• Supplementary requirements to BMath: online audition form and audition; Dance: statement of intent; Auditions: Visual Studies: portfolio.
• Admission to the BMus, BA (Music) stream in Music requires evidence of successful completion of RCM Level 8 Theory or an equivalent music theory diagnostic exam.

The early admission average will be calculated on grades from 30-level courses (or equivalent). If grades for 30-level courses are available, they’ll be used to calculate the average. A grade of at least 70% in Mathematics 30-1 or a grade of at least 4 in IB Mathematics (HL or SL) or Mathematical Studies SL, or Further Math SL is a prerequisite for first-year mathematics courses.

Additional course may be required as prerequisites for first-year courses.

Mathematics 20-1 or 20-2

Mathematics 30-1 or 30-2

A completed IB diploma with at least three higher level courses and no individual score below a 3.

Admission considerations for all degree programs are competitive. See our university calendar at ucalgary.ca/pubs/calendar/current/a for the most up-to-date information.

See our university calendar at ucalgary.ca/pubs/calendar/current/a for the most up-to-date information.
### FACULTY OF KINESIOLOGY
- Mid 80s (35 for II students)
- English Language Arts 30-1
- Mathematics 30-1/L (grade of at least 70% is required for admission to Biomechanics and Exercise Health)
- Chemistry 10
- Biology 30
- One approved course or option at the 30 level

**NOTE:** For Biomechanics, Mathematics 31 is required and Physics 30 is recommended.

### FACULTY OF NURSING
- Mid 80s (35 for II students)
- English Language Arts 30-1
- Mathematics 30-1/L or 20-2
- Chemistry 10
- Biology 30
- One approved course or option at the 30 level

### FACULTY OF SCIENCE
- Honours and Neuroscience: low 80s (35 for II students)
- Biology: Mid 80s (30 for II students)
- Computer Science: low 80s (25 for II students)
- All other programs: mid 70s (25 for II students)

#### SCHULICH SCHOOL OF ENGINEERING

**ON CAMPUS**
- English Language Arts 30-1
- Mathematics 30-1/L
- Two of Biology, Chemistry or Physics of the 30 level, Mathematics 31, CTS Computer Science Advanced
- One approved course or option at the 30 level

**COMMUNITY BASED**
- English Language Arts 30-1
- Mathematics 30-1
- Math 31
- Chemistry 30
- Physics 30

4. A completed IB Diploma with a minimum of 7 in all required and at least one grade below 5.
additional admission information

ENGLISH LANGUAGE PROFICIENCY REQUIREMENT

English is the official language of instruction at the University of Calgary. All applicants must demonstrate English language proficiency to be considered for admission to an undergraduate program.

Details about our English language proficiency requirements can be found at ucalgary.ca/pubs/calendar/current/a-11.

INTERNATIONAL FOUNDATIONS PROGRAM

Academically qualified applicants who don’t meet our English language proficiency requirements may apply to the International Foundations Program.

For more details about this program, visit werklund.ucalgary.ca/ifp.

* Our school code for the TOEFL is 0613 and the department code is 00.

Nursing programs require a TOEFL score of 82 (with a minimum of 23 in each sub-score) or an IELTS score of 7.0 (with no bands below a 7.0).

Education programs require a TOEFL score of 100 (with a minimum of 27 in each sub-score) or an IELTS score of 8.0 (with no bands below a 7.0).

SCHOLARSHIPS, BURSARIES AND AWARDS

By applying for admission, students are automatically considered for entrance awards, including the $60,000 International Entrance Scholarships valued at $15,000 per year. After applying for admission, a student’s next step is to complete the competitive high school awards application in their Student Centre (my.ucalgary.ca) to be considered for additional awards, scholarships and bursaries.

AWARD APPLICATION DEADLINES

December 15, 2018 – Prestige awards

March 1, 2019 – Other entrance scholarships and awards

In recognition of academic excellence, students with an admission average of 95% or higher are automatically eligible for the $5,000 President’s Admission Scholarship. International Baccalaureate Diploma students are automatically eligible for additional awards valued at $3,500.

For more information on scholarships, bursaries and awards, visit ucalgary.ca/awards.

COST ESTIMATOR

Students can plan their expenses with our online cost estimator by visiting ucalgary.ca/registrar/cost-estimator.

We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), the Tsuut’ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to Métis Nation of Alberta, Region III. The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River, and the traditional Blackfoot name of this place is “Mohkín’iini (Mi’kma’ki),” which we now call the City of Calgary.
